- Minutes for 6/8/17 meeting approved as amended
- Chief's update
 - Body cameras have been to committee and a Council as a Whole meeting, hopefully will be approved Monday, July 17th.
 - This is the Axon System which includes in car cameras, body cameras and Tasers
 - Video will be stored in the cloud rather than in on-site servers
 - Contract will be \$100,000/year
 - Seizure funds will help defray initial equipment costs.
 - The unknown is how the body cameras will change the number of public records requests.
 - There will also be software to assist with blurring out faces for privacy, such as juveniles.
 - Also on Monday the Criminal Trespass for parks or other City property will go before Council.
 - This will allow officers to trespass people from public property, where they cannot do anything about it right now.
 - The intent is to use this to prevent criminal behavior on public property.
 - Each park/City Property will be a separate trespass warning/order
 - DLR has been selected for the architect for the new facilities.
 - Next COPCAB meeting will be to attend the Public Safety Plan Open House.

 - At 76 officers, budgeted for 79
 1. Of the 76, 3 are entry candidates
 2. One in background
 3. We have been looking for laterals, but it is hard to find the highest quality lateral officers.
- Question about what TPD is doing for de-escalation training.
 - Supervisors are attending training with SPD. The Chief went to a class out of state.
 - We have an officer who is very well educated in de-escalation training and dealing with persons in crisis.
 - TPD is putting on a force options training for all officers.
 - This training is heavily based on scenarios
 - There will be guidance/policies developed to assist officers in making those decisions.
- July 4th summary
 - Prior to the event there was education
 - Officer paired with fire fighter to go into areas with high numbers of complaints.
 - This was the second year for this type of pro-active patrol
- Boards and Commissions Handbook – Ethics training, as specified in the handbook at Sept. meeting. Chris will check the date COPCAB did the Open Meetings and Public Disclosure Training.
- Good of the Order
 - Jan – Had a great visit with Sgt. Boyd and Officer Valdez about number of calls at the Church. It was a good problem solving session and she appreciates how they helped with ideas.
 - Chris – Squatter bill summary
 - Jerry – Hours for Touch a Truck – answer: 9am to 1pm Sat, July 29. Add link to City of Tukwila website about inaccurate “most dangerous cities” list. <http://www.tukwilawa.gov/truth-inaccurate-dangerous-cities-list/> Talk at a Council meeting to use lodging tax to counter some of the “most dangerous” image.
