

City of Tukwila Notice of Application
SEPA Determination & Shoreline Substantial Development Permit for Boeing Plant 2 DSOA
Remediation & Habitat Restoration Project

Location: East bank of Lower Duwamish Waterway between river miles 2.8 and 3.6 in Tukwila and Seattle, WA, adjacent to Boeing Plant 2.

Applicant: The Boeing Company

File# L11-039, E11-008

Project Planner: Carol Lumb, 206-431.3661 or Carol.Lumb@tukwilawa.gov

Project Description: Boeing is conducting the Duwamish Sediment Other Area (DSOA) and Southwest Bank Corrective Measure pursuant to the Administrative Order on Consent issued to Boeing in 1994 by U.S. EPA. Remove contaminated sediments & soils from the Duwamish River, construct habitat restoration, install storm-water outfall, restore shoreline, and install temporary construction structure.

Comments & Appeals: The application is available for review at the City of Tukwila, Dept of Community Development (DCD), located at 6300 Southcenter Blvd., #100, Tukwila WA 98188. Your written comments on the project are requested and can be delivered to DCD at the above address. Comments must be received by **5:00 PM on Monday, October 3, 2011**. **Tukwila is acting as SEPA lead agency for the Port of Seattle and the City of Seattle. Tukwila and Seattle will issue separate shoreline substantial development permits .**

You may request a copy of any decision, information on hearings, and your appeal rights by calling 206.431-3661. You are receiving this notice because you are a property owner or tenant within 500ft of this project.
