

INFORMATIONAL MEMORANDUM

TO: Transportation and Infrastructure Committee

FROM: Henry Hash, Public Works Director *H.H.*

BY: Bryan Still, Operations Manager

CC: Mayor Ekberg

DATE: July 6, 2018

SUBJECT: Resolution to Surplus & Sell Two Vehicles for 2018

ISSUE

Approve a Resolution to surplus a 2007 Ford Crown Victoria and a 2005 Honda GL1800 motorcycle and authorize the sale to the town of Winthrop, WA.

BACKGROUND & ANALYSIS

The Ford Crown Victoria has 10,000 more serviceable miles and the motorcycle is near the end of its lifecycle. They are both in safe and serviceable condition and may be transferred to another public agency per the City's disposal policy No. 300-07, section 2C.

FISCAL IMPACT

The average proceeds from auctions dating back to 2013 has been \$1,507 for the Ford Crown Victoria and \$3,214 for the Honda GL1800 motorcycle. Selling the vehicles to another municipal police agency would eliminate the need to strip the police lighting and equipment from the vehicles. Not stripping the vehicles of equipment would save Tukwila approximately \$3,504 in labor (\$1,392 for the Ford and \$2,112 for the motorcycle).

The two pieces of equipment are fully depreciated and are currently valued at \$4,721.00. Selling these pieces of equipment to the town of Winthrop in an "as is" condition is now the most practical solution for disposal.

RECOMMENDATION

Council is being asked to approve the Resolution declaring the two pieces of equipment as surplus and authorizing their sale to the town of Winthrop and consider this item on the Consent Agenda of the July 16, 2018 Regular Council Meeting.
