

INFORMATIONAL MEMORANDUM

TO: **Transportation and Infrastructure Committee**

FROM: **Henry Hash, Public Works Director** *HH*

BY: **Bryan Still, Operations Manager**

CC: **Mayor Ekberg**

DATE: **July 6, 2018**

SUBJECT: **Resolution to Surplus City Equipment for 2018**

ISSUE

Approve Resolution authorizing the sale of surplus equipment no longer needed by the City.

ANALYSIS/FISCAL IMPACT

The Fleet Department has identified 22 pieces of equipment that have outlived their service life and are no longer needed by the City. These items still operate, but in some cases require extensive repairs and are no longer used by the City or too costly to overhaul.

All of the pieces of equipment are fully depreciated and are currently valued at \$47,300.00. Selling these pieces of equipment at auction in an "as is" condition is now the most practical solution for disposal.

RECOMMENDATION

Council is being asked to approve the Resolution declaring the 22 pieces of equipment as surplus and authorizing their sale and to consider this item on the Consent Agenda of the July 16, 2018 Regular Council Meeting.
