V. Business Items

- Commission revisited school zone cameras at Foster High School and Showalter Middle School. Councilmember Hougardy requested a specific recommendation as a follow up from the first presentation on the school zone cameras at the February 7, 2019 ESJC meeting. Tukwila Police Chief Bruce Linton and Trish Kinlow, Tukwila Municipal Court Administrator, both were present to answer any additional questions. Chief Bruce Linton discussed speed data in the school zone areas and the potential threat to students due to

excessive speed. Trish Kinlow spoke to the mitigations made available in Court for people who receive tickets that cannot pay them, which includes significant reduction in fines and community service.

- The Commission recommended robust outreach and engagement with families at Foster High School and Showalter Middle School. Chair, Mikkell Roeland, emphasized that she wanted to support Nichelle Paige in action-based outreach for families that attend Foster and Showalter. Examples: ice-cream socials planned for September 2019, PTA presentations and other events with parents in the community.
- The Commission shared information from the community.
