INFORMATIONAL MEMORANDUM

TO: Finance Council Committee

FROM: Vicky Carlsen, Finance Director

CC: Mayor Ekberg

DATE: **October 20, 2020**

SUBJECT: 2021 – 2022 Biennial Budget Ordinance

2021 - 2026 Financial Planning Model and Capital Improvement Program

ISSUE

Adopt the 2021 – 2022 biennial budget and the 2021 – 2026 Capital Improvement Program (CIP) by the end of December.

BACKGROUND

The proposed biennial budget for 2021 – 2022 and draft 2021 – 2026 CIP were presented to Council on October 5, 2020. Departments within the general fund and all other funds have been reviewed in Council Committees and at the Council Committee of the Whole. Additionally, Council held budget workshops on September 22, October 13, and October 20, 2020, to discuss both the budget and CIP. Additional workshops will be scheduled before final adoption.

DISCUSSION

At this time the proposed 2021 – 2022 biennial budget as well as the 2021 – 2026 CIP is being presented to the Finance Committee for review and discussion. The public hearing, another opportunity for community input, is scheduled for Tuesday, November 9, 2020.

The ordinance and resolution are in draft form and will be updated prior to final adoption if any changes are made to either the proposed biennial budget or the CIP.

RECOMMENDATION

The Finance Committee is being asked to approve the 2021 – 2022 biennial budget ordinance and the 2021 – 2026 Financial Planning Model and Capital Improvement Plan resolution and forward to the Committee of the Whole.

This item is currently scheduled for the November 9, 2020, Committee of the Whole and November 16, 2020, Regular Council meeting.

INFORMATIONAL MEMORANDUM

TO: Finance Committee

FROM: Vicky Carlsen, Finance Director

BY: **Jeff Friend, Fiscal Manager**

CC: Mayor Ekberg

DATE: **October 26, 2020**

SUBJECT: 2020 budget amendment ordinance

ISSUE

Approve the administrative 2020 year-end budget amendments.

BACKGROUND

While amending the budget is only required when a fund, in total, is in danger of exceeding budget, it is a best practice to adjust the budget to identify significant changes in financial plans, policy decisions, and provide transparency for key decisions.

Several of the proposed budget amendments have been reviewed and approved by Council Committee and/or Council process as noted below in the discussion. The proposed budget amendments make the following types of modification to the current biennium:

- Housekeeping amendments such as adjusting budgeted beginning fund balance to actual beginning fund balance,
- Adjustments specific to the funding of the Employee Healthcare Plan, Residential Streets Fund, and Public Safety Plan
- Reflect revenue-backed projects/expenditures,

All budget amendments are detailed below with explanations provided for each amendment as well as the effect on ending fund balance. Budget amendments are summarized by fund in the tables attached to this memo.

DISCUSSION

General Fund

Adjust Beginning Fund Balance

A beginning fund balance adjustment of -\$1,237,163 to adjust the budgeted beginning fund balance to reflect the actual beginning fund balance. It should be noted that fiscal year 2019 ended the year with a fund balance of \$12.6 million, which exceeds the fund balance policy by \$1.1 million.

COVID-19 Response

In 2020, the City faced a serious financial challenge regarding the COVID-19 pandemic. Facing a significant budget shortfall due to reduced sales tax revenue, the City implemented a hiring freeze and furloughed employees while departments scrubbed their budgets to save costs. Training, travel, and overtime (for non-public safety employees) are examples of expenditures that were eliminated. In order to preserve the historical record of the departments' cost savings, these expenditure eliminations are not included in the budget amendments. The only exceptions are the revenues and expenditures eligible for the Coronavirus Aid, Relief, and Economic Security (CARES) Act.

The CARES Act was passed by Congress and signed into law on March 27th, 2020. Through the Coronavirus Relief Fund, the CARES Act provides for payments to State, Local, and Tribal governments navigating the outbreak of the COVID-19 outbreak and provides funding that can assist with covering costs that have arisen from the pandemic. Reimbursement funds from the act will be split between the General Fund and the Public Safety Plan. Staff is currently working to determine which costs are eligible for CARES act funds and will be submitting an invoice to the federal government in November.

- 1) Per the City's actuary, an additional \$400,000 is needed for the required reserve levels in the Employee Healthcare Plan.
- 2) Ordinance 2609 increased the Solid Waste Utility Tax to 11% as of November 1, 2019 then to 16% as of July 1, 2020 with 6% of the revenues remaining in the General Fund and the balance being dedicated to road maintenance and road related projects. This increase was not budgeted until staff could reasonably project the level of revenue. Revenue will be recognized in the general fund then transferred to the residential street fund.
- 3) The City initially expected a certain level of financial support from other utility providers for undergrounding on the 42nd Ave S and 53rd Ave S projects. At this time, it appears the City will not be receiving all funds that were initially expected. Solid Waste Utility Tax revenue and prior year land sale revenue from the Urban Renewal Fund will be transferred to the Residential Streets Fund to cover these costs. Neither transfer effects the general fund ending fund balance.
- 4) As of May 6th, the estimated need for contingency funds was \$4.8 million. On August 14th, updated projections estimated the need to be \$3.3 million. After further refinement using updated data as well as the restructuring of the general fund portion of the tenant improvements for Phase I of the Public Works Shops, it is estimated that the amount of contingency funds needed to close the revenue gap is expected to be \$700 thousand.
- 5) An Admin Support Tech position was transferred from Public Works to Community Development. This amendment allows for proper financial reporting of each department's salary expenditures.
- 6) Revenue-backed grant awarded in 2020. No net effect on the general fund.

- 1) Per the City's actuary, an additional \$400,000 is needed to maintain the required reserve levels in the Employee Healthcare Plan.
- 2) As of May 6th, the estimated need for contingency funds was \$4.8 million. On August 14th, updated projections estimated the need to be \$3.3 million. After further refinement using updated data as well as the restructuring of the general fund portion of the tenant improvements for Phase I of the Public Works Shops, it is estimated that the amount of contingency funds needed to close the revenue gap is expected to be \$700 thousand.
- 3) The City initially expected a certain level of financial support from other utility providers for undergrounding on the 42nd Ave S and 53rd Ave S projects. At this time, it appears the City will not be receiving all funds that were initially expected. Solid Waste Utility Tax revenue and prior year land sale revenue from the Urban Renewal Fund will be transferred to the Residential Streets Fund to cover these costs. Neither transfer effects the general fund ending fund balance.
- 4) \$1.85 million was budgeted for the Macadam Road S project that work was not done in 2020 on the project. Therefore, budget authority is being reallocated to the two sidewalk projects and grant revenue associated with the Macadam Road S project is being reduced.
- 5) Park impact fees are allocated to certain projects that reside in Bridges and Arterial Streets (Fund 104) and Land Acquisition, Recreation, and Park Development (Fund 301). This amendment moves fees from Arterial Streets to Land Acquisition, Recreation, and Park Development to align with the correct projects.

- 6) Proceeds from the sale of the Tukwila Village property were recorded in the Urban Renewal fund (Fund 302) but are to be dedicated to the Public Safety Plan (Fund 305). Revenue from this property sale is included in the D-20 Financial Framework.
- 7) Some Public Safety Plan expenditures were incurred in 2020 that were planned in other years. The total project budget remains the same, this amendment only addresses the timing in which year the expenditures were incurred
- 8) Some Public Works Shop expenditures that were expected to be incurred in 2020 are now expected to be incurred in 2021 instead. The total project budget for Phase I remains the same, this amendment only addresses the timing in which year the expenditures were occurred.
- 9) Foster Golf Course experienced stronger than expected business in 2020 resulting in both higher revenue and expenditures.
- 10) Management of all golf carts and related equipment was transferred from Equipment Rental and Replacement (Fund 501) to the Golf Course (Fund 411) in 2020.

In addition to the budget amendments proposed for other funds, beginning fund balances in various funds are also being adjusted to true up to actual beginning fund balances.

RECOMMENDATION

The Council is asked to approve the Budget Amendment ordinance and consider this item at the November 9, 2020 Committee of the Whole, and November 16, 2020 Regular Council Meeting.
