WHEREAS, Section 3 of HB 1220 contains the following preemption of local zoning authority:

A code city shall not prohibit transitional housing or permanent supportive housing in any zones in which residential dwelling units or hotels are allowed. Effective September 30, 2021, a code city shall not prohibit indoor emergency shelters and indoor emergency housing in any zones in which hotels are allowed, except in such cities that have adopted an ordinance authorizing indoor emergency shelters and indoor emergency housing in a majority of zones within a one-mile proximity to transit.; and

WHEREAS, the City Council desires to develop reasonable occupancy, spacing, and intensity of use requirements for these types of housing to protect public health and safety so long as the conditions do not prevent the siting of a sufficient number of facilities to accommodate the City's projected needs; and

WHEREAS, on July 6, 2021, the City's State Environmental Policy Act (SEPA) Responsible Official issued a Determination of Non-Significance on the proposed amendments; and

WHEREAS, no comments were received on the City's Determination of Non-Significance on the proposed amendments; and
