TO: **Community Services and Safety**

FROM: **Tracy Gallaway - Parks and Recreation Director**

BY: **Matthew Austin - Parks Maintenance Supervisor**

CC: **Mayor Ekberg**

DATE: **9/20/2021**

SUBJECT: **Tukwila Park Improvements**

### **ISSUE**

Replacement of the Tukwila Park gazebo.

### **BACKGROUND**

On July 19, 2020, the gazebo at Tukwila Park was destroyed by a fire. Throughout the past 14 months, parks maintenance staff have been working on replacing the structure.

### **DISCUSSION**

Staff worked with Public Works and the Washington Cities Insurance Authority (WCIA) to confirm that the replacement of the gazebo would be covered by insurance. Once confirmed, staff selected a contractor and a replacement structure. The new gazebo will be fire resistant, with a metal frame and roof and will have similar amenities such as integrated wiring, lighting, and electrical outlets for potential rentals. Attachment A is a contract to address the gazebo replacement.

### **FINANCIAL IMPACT**

The gazebo replacement described in Attachment A will be reimbursed through WCIA with initial funding through the Parks and Recreation capital improvement budget utilizing a combination of King County Levy funds, Park Impact Fees and REET funds.

Attachment A: Contract with Northwest Playgrounds for Tukwila Park Gazebo replacement	\$80,000
Total	\$80,000

### **RECOMMENDATION**

Staff recommends the City Council authorize the Mayor to sign the contract (Attachment A) with Northwest Playgrounds for \$80,000 for installation of a new gazebo.

### **ATTACHMENTS**

Attachment A: Northwest Playground Contract and Scope of Work.

- (5) That particular part of real property on which you or any contractors or subcontractors working directly or indirectly on your behalf are performing operations, if the "property damage" arises out of those operations; or
- (6) That particular part of any property that must be restored, repaired or replaced because "your work" was incorrectly performed on it.

Paragraphs (1), (3) and (4) of this exclusion do not apply to "property damage" (other than damage by fire, lightning, explosion or sprinkler leakage) to premises, including the contents of such premises, rented to you for a period of seven or fewer consecutive days. A separate limit of insurance applies to Damage To Premises Rented To You as described in **SECTION III – LIMITS OF INSURANCE**. However, the provisions of this paragraph do not apply if coverage for Damage To Premises Rented To You is excluded by endorsement.

Paragraph (2) of this exclusion does not apply if the premises are "your work" and were never occupied, rented or held for rental by you.

Paragraphs (3) and (4) of this exclusion do not apply to the use of elevators.

Paragraphs (3), (4), (5) and (6) of this exclusion do not apply to liability assumed under a sidetrack agreement.

Paragraph (4) of this exclusion does not apply to "property damage" to borrowed equipment while not being used to perform operations at the jobsite. Subject to Paragraph 2. of **SECTION III – LIMITS OF INSURANCE**, the rules below fix the most we will pay for "property damage" under this provision:

- (1) \$25,000 any one "occurrence", regardless of the number of persons or organizations who sustain damages because of that "occurrence";
- (2) \$50,000 annual aggregate; and
- (3) We will pay only for damages in excess of \$2,500 as a result of any one "occurrence", regardless of the number of persons or organizations who sustain damages because of that "occurrence". We may, or if required by law, pay all or any part of any deductible amount, if applicable, to effect settlement of any claim or "suit". Upon notice of our payment of a deductible amount, you shall promptly reimburse us for the part of the deductible amount we paid.

Paragraph (6) of this exclusion does not apply to "property damage" included in the "products-completed operations hazard".

The insurance provided for "property damage" from the use of elevators and for "property damage" to borrowed equipment is excess over any other valid and collectible property insurance (including any deductible portion thereof) available to the insured whether primary, excess, contingent or on any other basis.

### C. Damage To Premises Rented To You

Item 2. **Exclusions**, the last paragraph is replaced by the following:

    - b. Claims made or "suits" brought; or
    - c. Persons or organizations making claims or bringing "suits".
  3. Any payments made under Coverage A for damages or under Coverage C for medical expenses shall reduce the Designated Construction Project General Aggregate Limit for that designated construction project. Such payments shall not reduce the General Aggregate Limit shown in the Declarations nor shall they reduce any other Designated Construction Project General Aggregate Limit for any other designated construction project shown in the Schedule above.
- B.** For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under Section I – Coverage A, and for all medical expenses caused by accidents under Section I – Coverage C, which cannot be attributed only to ongoing operations at a single designated construction project shown in the Schedule above:
1. The limits shown in the Declarations for Each Occurrence, Damage To Premises Rented To You and Medical Expense continue to apply. However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Designated Construction Project General Aggregate Limit.
  2. Any payments made under Coverage A for damages or under Coverage C for medical expenses shall reduce the amount available under the General Aggregate Limit or the Products-completed Operations Aggregate Limit, whichever is applicable; and

- 2. Such payments shall not reduce any Designated Construction Project General Aggregate Limit.
- C. When coverage for liability arising out of the "products-completed operations hazard" is provided, any payments for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard" will reduce the Products-completed Operations Aggregate Limit, and not reduce the General Aggregate Limit nor the Designated Construction Project General Aggregate Limit.
- D. If the applicable designated construction project has been abandoned, delayed, or abandoned and then restarted, or if the authorized contracting parties deviate from plans, blueprints, designs, specifications or timetables, the project will still be deemed to be the same construction project.
- E. The provisions of Section III – Limits Of Insurance not otherwise modified by this endorsement shall continue to apply as stipulated.
