BY: John H Dunn III, Acting Recreation Manager

CC: Mayor Ekberg

DATE: October 4, 2021

SUBJECT: Contract Extension for PerfectMind Recreation Software

ISSUE

Seeking approval for the Mayor to sign the contract extension for PerfectMind registration software for the Parks & Recreation Department.

BACKGROUND

Council approved the original 5-year contract (16-184) on 12/12/16. This contract was for the department registration software that is used for recreation programs, rental reservations, membership sales and point of sale. The original contract will expire on 12/30/21.

DISCUSSION

The department staff are happy with the vendor and services and would like to continue with the vendor for registration services. This contract extension will continue services for another 5 years and maintain fees at a steady level for that period.

FINANCIAL IMPACT

The 5-year impact totals \$118,000 spread over 5 annual payments of \$23,600. The registration software is already a budgeted expense in the annual budget. No additional funding is being requested for this item.

RECOMMENDATION

The Council is being asked to authorize the Mayor to sign the contract extension and consider this item for consent agenda at the October 18, 2021, Regular Meeting.

ISSUE

Replacement of the Tukwila Park gazebo.

BACKGROUND

On July 19, 2020, the gazebo at Tukwila Park was destroyed by a fire. Throughout the past 14 months, parks maintenance staff have been working on replacing the structure.

DISCUSSION

Staff worked with Public Works and the Washington Cities Insurance Authority (WCIA) to confirm that the replacement of the gazebo would be covered by insurance. Once confirmed, staff selected a contractor and a replacement structure. The new gazebo will be fire resistant, with a metal frame and roof and will have similar amenities such as integrated wiring, lighting, and electrical outlets for potential rentals. Attachment A is a contract to address the gazebo replacement.

FINANCIAL IMPACT

The gazebo replacement described in Attachment A will be reimbursed through WCIA with initial funding through the Parks and Recreation capital improvement budget utilizing a combination of King County Levy funds, Park Impact Fees and REET funds.

Attachment A: Contract with Northwest Playgrounds for Tukwila Park Gazebo replacement	\$80,000
Total	\$80,000

RECOMMENDATION

Staff recommends the City Council authorize the Mayor to sign the contract (Attachment A) with Northwest Playgrounds for \$80,000 for installation of a new gazebo.

 - A. **Minimum Scope of Insurance.** Contractor shall obtain insurance of the types and with the limits described below:
 1. Automobile Liability insurance with a minimum combined single limit for bodily injury and property damage of \$1,000,000 per accident.  - C. **Other Insurance Provision.** The Contractor's Automobile Liability and Commercial General Liability insurance policies are to contain, or be endorsed to contain that they shall be primary insurance with respect to the City. 11. **Discrimination Prohibited.** The Consultant, with regard to the work performed by it under this Agreement, will not discriminate on the grounds of race, religion, creed, color, national origin, age, veteran status, sex, sexual orientation, gender identity, marital status, political affiliation, the presence of any disability, or any other protected class status under state or federal law, in the selection and retention of employees or procurement of materials or supplies.

12. **Assignment and Subcontract.** The Contractor shall not assign or subcontract any portion of the services contemplated by this Agreement without the written consent of the City.

13. **Entire Agreement: Modification.** This Agreement, together with attachments or addenda, represents the entire and integrated Agreement between the City and the Contractor and supersedes all prior negotiations, representations, or agreements written or oral. No amendment or modification of this Agreement shall be of any force or effect unless it is in writing and signed by the parties.

14. **Severability and Survival.** If any term, condition or provision of this Agreement is declared void or unenforceable or limited in its application or effect, such event shall not affect any other provisions hereof and all other provisions shall remain fully enforceable. COMMERCIAL GENERAL LIABILITY ENHANCEMENT ENDORSEMENT

This endorsement modifies the insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE FORM

With respect to the coverage provided by this endorsement, the provisions of the Coverage Form apply unless modified by this endorsement. The SECTIONS of the Commercial General Liability Coverage Form identified in this endorsement will be amended as shown below.

SECTION I – COVERAGES AMENDMENTS

COVERAGE A – BODILY INJURY AND PROPERTY DAMAGE LIABILITY

A. Non Owned Aircraft Or Watercraft

Item 2. Exclusions, Paragraph g. is replaced by the following:

g. Aircraft, Auto Or Watercraft

“Bodily injury” or “property damage” arising out of the ownership, maintenance, use or entrustment to others of any aircraft, “auto” or watercraft owned or operated by or rented or loaned to any insured. Use includes operation and “loading or unloading”.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the “occurrence” which caused the “bodily injury” or “property damage” involved in the ownership, maintenance, use or entrustment to others of any aircraft, “auto” or watercraft that is owned or operated by or rented or loaned to any insured.

This exclusion does not apply to:

- (1) A watercraft while ashore on premises you own or rent;
- (2) A watercraft you do not own that is:
 - (a) Less than 50 feet long; and
 - (b) Not being used to carry persons or property for a charge;

This Subparagraph (2) applies to any person, who with your expressed or implied consent, either uses or is responsible for the use of the watercraft;

- (3) Parking an “auto” on, or on the ways next to, premises you own or rent, provided the “auto” is not owned by or rented or loaned to you or the insured;
- (4) Liability assumed under any “insured contract” for the ownership, maintenance or use of aircraft or watercraft; or
- (5) “Bodily injury” or “property damage” arising out of:
 - (a) The operation of machinery or equipment that is attached to, or part of, a land vehicle that would qualify under the definition of “mobile equipment” if it were not subject to a compulsory or financial responsibility law or other motor vehicle insurance law where it is licensed or principally garaged; or
 - (b) The operation of any of the machinery or equipment listed in Paragraph f. (2) or f. (3) of the definition of “mobile equipment”.

B. Damage To Property Coverage Extensions

Item 2. Exclusions, Paragraph j. is replaced by the following:

j. Damage To Property

“Property damage” to:

- (1) Property you own, rent, or occupy, including any costs or expenses incurred by you, or any other person, organization or entity, for repair, replacement, enhancement, restoration or maintenance of such property for any reason, including prevention of injury to a person or damage to another’s property;
- (2) Premises you sell, give away or abandon, if the “property damage” arises out of any part of those premises;

- (3) Property loaned to you;
- (4) Personal property in the care, custody or control of the insured;
- (5) That particular part of real property on which you or any contractors or subcontractors working directly or indirectly on your behalf are performing operations, if the "property damage" arises out of those operations; or
- (6) That particular part of any property that must be restored, repaired or replaced because "your work" was incorrectly performed on it.

Paragraphs (1), (3) and (4) of this exclusion do not apply to "property damage" (other than damage by fire, lightning, explosion or sprinkler leakage) to premises, including the contents of such premises, rented to you for a period of seven or fewer consecutive days. A separate limit of insurance applies to Damage To Premises Rented To You as described in **SECTION III – LIMITS OF INSURANCE**. However, the provisions of this paragraph do not apply if coverage for Damage To Premises Rented To You is excluded by endorsement.

Paragraph (2) of this exclusion does not apply if the premises are "your work" and were never occupied, rented or held for rental by you.

Paragraphs (3) and (4) of this exclusion do not apply to the use of elevators.

Paragraphs (3), (4), (5) and (6) of this exclusion do not apply to liability assumed under a sidetrack agreement.

Paragraph (4) of this exclusion does not apply to "property damage" to borrowed equipment while not being used to perform operations at the jobsite. Subject to Paragraph 2. of **SECTION III – LIMITS OF INSURANCE**, the rules below fix the most we will pay for "property damage" under this provision:

- (1) \$25,000 any one "occurrence", regardless of the number of persons or organizations who sustain damages because of that "occurrence";
- (2) \$50,000 annual aggregate; and
- (3) We will pay only for damages in excess of \$2,500 as a result of any one "occurrence", regardless of the number of persons or organizations who sustain damages because of that "occurrence". We may, or if required by law, pay all or any part of any deductible amount, if applicable, to effect settlement of any claim or "suit". Upon notice of our payment of a deductible amount, you shall promptly reimburse us for the part of the deductible amount we paid.

Paragraph (6) of this exclusion does not apply to "property damage" included in the "products-completed operations hazard".

The insurance provided for "property damage" from the use of elevators and for "property damage" to borrowed equipment is excess over any other valid and collectible property insurance (including any deductible portion thereof) available to the insured whether primary, excess, contingent or on any other basis.

C. Damage To Premises Rented To You

Item 2. **Exclusions**, the last paragraph is replaced by the following:

Exclusions c. through n. do not apply to damage by fire, lightning, explosion or sprinkler leakage to premises while rented to you or temporarily occupied by you with permission of the owner. A separate limit of insurance applies to this coverage as described in Paragraph 6. of **SECTION III – LIMITS OF INSURANCE**.

D. Blanket Additional Insured – Lessor Of Leased Equipment

1. **Section II – Who Is An Insured** is amended to include as an additional insured any person(s) or organization(s) from whom you lease equipment when you and such person(s) or organization(s) have agreed in writing in a contract or agreement, executed prior to loss, that such person(s) or organization(s) be added as an additional insured on your policy. 1. The insurance afforded to such additional insured only applies to the extent permitted by law; and
2. If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

B. With respect to the insurance afforded to these additional insureds, the following additional exclusion applies:

This insurance does not apply to:

1. "Bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering of, or the failure to render, any professional architectural, engineering or surveying services, including:
 - a. The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; or
 - b. Supervisory, inspection, architectural or engineering activities.

This exclusion applies even if the claims against an additional insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage", or the offense which caused the "personal and advertising injury", involved the rendering of or failure to render any professional services by you with respect to your providing engineering, architectural or surveying services in your capacity as an engineer, architect or surveyor.

2. "Bodily injury" or "property damage" occurring after:

- a. All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or
- b. That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

C. With respect to the insurance afforded to these additional insureds, the following is added to **Section III – Limits Of Insurance**:

If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is:

- 1. The minimum amount required by the contract or agreement; or
- 2. The Limits of Insurance shown in the Declarations;

whichever is less.

This endorsement shall not increase the applicable Limits of Insurance shown in the Declarations.

D. The following is added to the **Other Insurance** Condition and supersedes any provision to the contrary:

Primary And Noncontributory Insurance

This insurance is primary to and will not seek any contribution from any other insurance available to an additional insured under your policy provided that:

- (1) The additional insured is a Named Insured under such other insurance; and
- (2) You have agreed in writing in a contract or agreement that this insurance would be primary and would not seek contribution from any other insurance available to the additional insured.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

ADDITIONAL INSURED – OWNERS, LESSEES OR CONTRACTORS – COMPLETED OPERATIONS PRIMARY AND NONCONTRIBUTORY

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Name Of Additional Insured Person(s) Or Organization(s):	Location And Description Of Completed Operations
PER WRITTEN CONTRACT OR AGREEMENT WHERE YOU AGREE TO NAME A PARTY OR PARTIES AS ADDITIONAL INSURED (S)	PER WRITTEN CONTRACT OR AGREEMENT
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

A. Section II – Who Is An Insured is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to liability for "bodily injury" or "property damage" caused, in whole or in part, by "your work" at the location designated and described in the schedule of this endorsement performed for that additional insured and included in the "products-completed operations hazard".

However:

1. The insurance afforded to such additional insured only applies to the extent permitted by law; and
2. If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

B. With respect to the insurance afforded to these additional insureds, the following additional exclusion applies:

1. "Bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering of, or the failure to render, any professional architectural, engineering or surveying services, including:
 - a. The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; or
 - b. Supervisory, inspection, architectural or engineering activities.

This exclusion applies even if the claims against an additional insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage", or the offense which caused the "personal and advertising injury", involved the rendering of or failure to render any professional services by you with respect to your providing engineering, architectural or surveying services in your capacity as an engineer, architect or surveyor.

- C. With respect to the insurance afforded to these additional insureds, the following is added to **Section III – Limits Of Insurance:**

If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is:

1. The minimum amount required by the contract or agreement; or

This endorsement shall not increase the applicable Limits of Insurance shown in the Declarations.

- D. The following is added to the **Other Insurance** Condition and supersedes any provision to the contrary:

Primary And Noncontributory Insurance

This insurance is primary to and will not seek contribution from any other insurance available to an additional insured under your policy provided that:

- (1) The additional insured is a Named Insured under such other insurance; and
- (2) You have agreed in writing in a contract or agreement that this insurance would be primary and would not seek contribution from any other insurance available to the additional insured.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

DESIGNATED CONSTRUCTION PROJECT(S) GENERAL AGGREGATE LIMIT

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Designated Construction Project(s):

PER WRITTEN CONTRACT OR AGREEMENT WHERE YOU AGREED TO PROVIDE A SEPARATE GENERAL AGGREGATE LIMIT FOR EACH PROJECT

Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

- A.** For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under Section I – Coverage A, and for all medical expenses caused by accidents under Section I – Coverage C, which can be attributed only to ongoing operations at a single designated construction project shown in the Schedule above:
1. A separate Designated Construction Project General Aggregate Limit applies to each designated construction project, and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations.
 2. The Designated Construction Project General Aggregate Limit is the most we will pay for the sum of all damages under Coverage A, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard", and for medical expenses under Coverage C regardless of the number of:
 - a. Insureds;
 - b. Claims made or "suits" brought; or
 - c. Persons or organizations making claims or bringing "suits".
 3. Any payments made under Coverage A for damages or under Coverage C for medical expenses shall reduce the Designated Construction Project General Aggregate Limit for that designated construction project. Such payments shall not reduce the General Aggregate Limit shown in the Declarations nor shall they reduce any other Designated Construction Project General Aggregate Limit for any other designated construction project shown in the Schedule above.
- B.** For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under Section I – Coverage A, and for all medical expenses caused by accidents under Section I – Coverage C, which cannot be attributed only to ongoing operations at a single designated construction project shown in the Schedule above:
1. The limits shown in the Declarations for Each Occurrence, Damage To Premises Rented To You and Medical Expense continue to apply. However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Designated Construction Project General Aggregate Limit.
 2. Any payments made under Coverage A for damages or under Coverage C for medical expenses shall reduce the amount available under the General Aggregate Limit or the Products-completed Operations Aggregate Limit, whichever is applicable; and

- 2. Such payments shall not reduce any Designated Construction Project General Aggregate Limit.
- C. When coverage for liability arising out of the "products-completed operations hazard" is provided, any payments for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard" will reduce the Products-completed Operations Aggregate Limit, and not reduce the General Aggregate Limit nor the Designated Construction Project General Aggregate Limit.
- D. If the applicable designated construction project has been abandoned, delayed, or abandoned and then restarted, or if the authorized contracting parties deviate from plans, blueprints, designs, specifications or timetables, the project will still be deemed to be the same construction project.
- E. The provisions of Section III – Limits Of Insurance not otherwise modified by this endorsement shall continue to apply as stipulated.

INFORMATIONAL MEMORANDUM

TO: Community Services & Safety Committee

FROM: Joel Bush, Deputy Director of Administrative Services /Chief Information Officer
Niesha Fort-Brooks, Community Engagement Manager

CC: Mayor Ekberg

Date: September 21, 2021

Subject: Tukwila Works Online Reporting Tool

ISSUE

Staff is updating the Community Services & Safety Committee on the Tukwila Works online reporting tool.

BACKGROUND

The Tukwila Works online reporting system was formerly managed by SeeClickFix and was disabled in 2020 due to budget and staff reductions associated with the Coronavirus pandemic. When SeeClickFix was disabled, residents still had the opportunity to email or call in with City service requests, and many community members used these platforms to report issues. Staff routed email requests to the appropriate department to address and provided residents with a status update once the issue was resolved or still in process.

In late summer the Tukwila Works reporting tool re-launched allowing residents and guests to report non-emergency issues through the City website at TukwilaWA.gov/TukwilaWorks or by going to the City's homepage and clicking on "Report an Issue" on the righthand side of the webpage. Currently the City is not offering a mobile app; however, the website application is mobile responsible. The City continues to address issues emailed to TukwilaWorks@TukwilaWa.gov or reported by phone at (206) 433-1800. Technical issues related to the Tukwila Works online reporting tool should be addressed by Niesha Fort-Brooks, Community Engagement Manager.

DISCUSSION

In early summer of 2021, the Technology and Innovation Services Department began developing an internal Tukwila Works Sintel form which will be managed by the City. The online tool incorporates contact information, service location, issue categories, photo submissions and integrates with Lucity for Public Works department requests. The Tukwila Works Sintel reporting tool provides real-time updates for residents and guest via email with a link acknowledging that the form has been received from each City department and tracking capabilities.

Staff convened Code Enforcement, Public Works and the Tukwila Police Departments who were briefed on the external facing Sintel form and provided input to streamline the automation and communication process. Additionally, the Technology and Innovative

Services department has created an online dashboard within SharePoint for City departments to track and measure issues and response times. This includes acknowledgement of receipt from each City department with date and time trends, when the issue closed out, requests by neighborhood, issue type, as well as the ability to export reporting documents into Excel.

Staff was able to bring this online with no additional funding needed. Staff expects to report back to the Committee during the second quarter of 2022 on Tukwila Works usage, issue types and additional information.
