

We need to hear YOUR choice about a site for a new City resource **TUKWILA TEEN & SENIOR CENTER**

The City is exploring the development of this project, and we're looking for the community's input on where to locate this facility. Holding more than 50 meetings so far, the project team has engaged with the community throughout 2021, to hear their ideas about a center's value, desired functions, look & feel, and more.

These two sites are the potential locations
