SECOND QUARTER CRIME STATISTICS

Calls for Service by Month
Comparison of 2022 to 2000-2021

While calls for service in the second quarter are within range, case reports were high in April and May with June within range. Online reports continue to drive much of this increase. Thefts from vehicle account for about half of all online reports.

Case Reports by Month
Comparison of 2022 to 2000-2021

Commercial burglary, auto theft, and theft from vehicle are all on pace for record high yearly totals. Auto thefts have already outpaced nine of the last 14 year-end totals.

Juveniles were listed as suspects in 26 cases in the second quarter.

[These charts show the current year (line) as compared to previous years (rectangles). This gives perspective as to a normal range as calculated over the past years.]
