AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF TUKWILA, WASHINGTON; ESTABLISHING A NEW CHAPTER 3.26 OF THE TUKWILA MUNICIPAL CODE (TMC) ENTITLED, “BUSINESS AND OCCUPATION TAX”; ESTABLISHING TMC CHAPTER 3.27 ENTITLED “BUSINESS AND OCCUPATION TAX ADMINISTRATIVE PROVISIONS”; PROVIDING FOR A REFERENDUM PROCESS; PROVIDING FOR SEVERABILITY; AND ESTABLISHING AN EFFECTIVE DATE.

WHEREAS, in 2022, during the creation of the City’s 2023-2024 Biennial Budget, the City’s long-range forecast identified a structural deficit on the General Fund financial condition resulting from several factors, including the 1% limitation on regular property tax, the sunset of streamlined sales tax mitigation revenue, and the pressure for increased services that outpace the increase in property and sales tax; and

WHEREAS, pursuant to RCW 35A.82.020, the City of Tukwila is authorized to impose a business and occupation tax on business activities within the City; and

WHEREAS, RCW 35.102.040 requires the City utilize the mandatory provisions of the model ordinances developed by Washington cities when imposing a business and occupation tax and adopting administrative provisions related to the imposition and collection of such a tax, but also allow for flexibility to customize the ordinances based on local goals and policies; and

WHEREAS, the model ordinance provides mandatory and standard exemptions for potential inclusion but also gives the City the ability to create certain exemptions from business and occupation tax including an annual gross receipts exemption threshold for small businesses to meet the City’s own objectives, exemptions to set economic policy, and exemptions to maintain local control; and

WHEREAS, the City Council has determined that imposition of a business and occupation tax as provided herein and providing for uniform administration of the City’s tax codes will be in the best interest of the public health, safety, and welfare;

3.26.040 Definitions

In construing the provisions of this chapter, the following definitions shall be applied. Words in the singular number shall include the plural, and the plural shall include the singular.

A. **“Business”** includes all activities engaged in with the object of gain, benefit, or advantage to the taxpayer or to another person or class, directly or indirectly.

B. **“Business and occupation tax”** or **“gross receipts tax”** means a tax imposed on or measured by the value of products, the gross income of the business, or the gross proceeds of sales, as the case may be, and that is the legal liability of the business.

C. **“Commercial or industrial use”** means the following uses of products, including by-products, by the extractor or manufacturer thereof:

1. Any use as a consumer; and
2. The manufacturing of articles, substances or commodities.

D. **“Director”** means the Finance Director of the City or any officer, agent or employee of the City designated to act on the Director’s behalf.

E. **“Delivery”** means the transfer of possession of tangible personal property between the seller and the buyer or the buyer’s representative. Delivery to an employee of a buyer is considered delivery to the buyer. Transfer of possession of tangible personal property occurs when the buyer or the buyer’s representative first takes physical control of the property or exercises dominion and control over the property. Dominion and control means the buyer has the ability to put the property to the buyer’s own purposes. It means the buyer or the buyer’s representative has made the final decision to accept or reject the property, and the seller has no further right to possession of the property and the buyer has no right

to return the property to the seller, other than under a warranty contract. A buyer does not exercise dominion and control over tangible personal property merely by arranging for shipment of the property from the seller to itself. A buyer's representative is a person, other than an employee of the buyer, who is authorized in writing by the buyer to receive tangible personal property and take dominion and control by making the final decision to accept or reject the property. Neither a shipping company nor a seller can serve as a buyer's representative. It is immaterial where the contract of sale is negotiated or where the buyer obtains title to the property. Delivery terms and other provisions of the Uniform Commercial Code (Title 62A RCW) do not determine when or where delivery of tangible personal property occurs for purposes of taxation.

F. **“Digital automated service,” “digital code,” and “digital goods”** have the same meaning as in RCW 82.04.192 as now in effect or as may be subsequently amended or recodified.

G. **“Digital products”** means digital goods, digital codes, digital automated services, and the services described in RCW 82.04.050(2)(g) and (6)(b) as now in effect or as may be subsequently amended or recodified.

H. **“Eligible gross receipts tax”** means a tax which:

1. Is imposed on the act or privilege of engaging in business activities within TMC Section 3.26.050; and

2. Is measured by the gross volume of business, in terms of gross receipts and is not an income tax or value added tax; and

3. Is not, pursuant to law or custom, separately stated from the sales price; and

4. Is not a sales or use tax, business license fee, franchise fee, royalty or severance tax measured by volume or weight, or concession charge, or payment for the use and enjoyment of property, property right or a privilege; and

5. Is a tax imposed by a local jurisdiction, whether within or without the State of Washington, and not by a Country, State, Province, or any other non-local jurisdiction above the County level.

I. **“Engaging in business”** means commencing, conducting, or continuing in business, and also the exercise of corporate or franchise powers, as well as liquidating a business when the liquidators thereof hold themselves out to the public as conducting such business.

1. This section sets forth examples of activities that constitute engaging in business in the City, and establishes safe harbors for certain of those activities so that a person who meets the criteria may engage in de minimis business activities in the City without having to register and obtain a business license or pay City business and occupation taxes. The activities listed in this section are illustrative only and are not intended to narrow the definition of “engaging in business” in TMC Section 3.26.040.I. If an activity is not listed, whether it constitutes engaging in business in the City shall be determined by considering all the facts and circumstances and applicable law.

This provision does not apply to any board of director member or attendee engaging in business such as a member of a board of directors who attends a board meeting.
- d. Renting tangible or intangible property as a customer when the property is not used in the City.
- e. Attending, but not participating in a "trade show" or "multiple vendor events". Persons participating at a trade show shall review the City's trade show or multiple vendor event ordinances.
- f. Conducting advertising through the mail.
- g. Soliciting sales by phone from a location outside the City.

4. A seller located outside the City merely delivering goods into the City by means of common carrier is not required to register and obtain a business license, provided that it engages in no other business activities in the City. Such activities do not include those in TMC Section 3.26.040.1.3.

5. The City expressly intends that engaging in business include any activity sufficient to establish nexus for purposes of applying the tax under the law and the constitutions of the United States and the State of Washington. Nexus is presumed to continue as long as the taxpayer benefits from the activity that constituted the original nexus generating contact or subsequent contacts.

J. **"Extracting"** is the activity engaged in by an extractor and is reportable under the extracting classification.

K. **"Extractor"** means every person who from the person's own land or from the land of another under a right or license granted by lease or contract, either directly or by contracting with others for the necessary labor or mechanical services, for sale or for commercial or industrial use, mines, quarries, takes or produces coal, oil, natural gas, ore, stone, sand, gravel, clay, mineral or other natural resource product; or fells, cuts or takes timber, Christmas trees, other than plantation Christmas trees, or other natural products; or takes fish, shellfish, or other sea or inland water foods or products. There is no separate sale of the key or code from the prewritten computer software, regardless of how the sale may be characterized by the vendor or by the purchaser. The term “sale at retail” or “retail sale” does not include the sale of or charge made for:

- i. Custom software; or
- ii. The customization of prewritten software.

b. A retail sale of digital goods, digital codes, or digital automated services under TMC Section 3.26.040.U.5.b.2 includes any services provided by the seller exclusively in connection with the digital goods, digital codes, or digital automated services, whether or not a separate charge is made for such services. For purposes of this subsection, “permanent” means perpetual or for an indefinite or unspecified length of time. A right of permanent use is presumed to have been granted unless the agreement between the seller and the purchaser specifies or the circumstances surrounding the transaction suggest or indicate that the right to use terminates on the occurrence of a condition subsequent.

12. “Sale at retail” or “retail sale” shall also include the installing, repairing, altering, or improving of digital goods for consumers.

V. **“Sale at wholesale,”** or **“wholesale sale”** means any sale of tangible personal property, digital goods, digital codes, digital automated services, prewritten computer software, or services described in TMC Section 3.26.040.U.5.b.i, which is not a retail sale, and any charge made for labor and services rendered for persons who are not consumers,

The term shall be applied, in each case, on a cash receipts or accrual basis according to which method of accounting is regularly employed in keeping the books of the taxpayer.

Y **“Value of products”**

1. The value of products, including by-products, extracted or manufactured, shall be determined by the gross proceeds derived from the sale thereof whether such sale is at wholesale or at retail, to which shall be added all subsidies and bonuses received from the purchaser or from any other person with respect to the extraction, manufacture, or sale of such products or by-products by the seller.

2. Where such products, including by-products, are extracted or manufactured for commercial or industrial use; and where such products, including by-products, are shipped, transported or transferred out of the City, or to another person, without prior sale or are sold under circumstances such that the gross proceeds from the sale are not indicative of the true value of the subject matter of the sale; the value shall correspond as nearly as possible to the gross proceeds from sales in this state of similar products of like quality and character, and in similar quantities by other taxpayers, plus the amount of subsidies or bonuses ordinarily payable by the purchaser or by any third person with respect to the extraction, manufacture, or sale of such products. In the absence of sales of similar products as a guide to value, such value may be determined upon a cost basis. In such cases, there shall be included every item of cost attributable to the particular article or article extracted or manufactured, including direct and indirect overhead costs. The Director may prescribe rules for the purpose of ascertaining such values.

3. Notwithstanding TMC Section 3.26.040.Y.2 above, the value of a product manufactured or produced for purposes of serving as a prototype for the development of a new or improved product shall correspond to (a) the retail selling price of such new or improved product when first offered for sale; or (b) the value of materials incorporated into the prototype in cases in which the new or improved product is not offered for sale.

Z **“Wholesaling”** means engaging in the activity of making sales at wholesale, and is reported under the wholesaling classification.

Section 6. Regulations Established. A new TMC Section 3.26.050 is hereby established to read as follows:

3.26.050 Imposition of the Tax – Tax or Fee Levied

A. Except as provided in TMC Section 3.26.050.B, there is hereby levied upon and shall be collected from every person a tax for the act or privilege of engaging in business activities within the City, whether the person's office or place of business be within or without the City. The tax shall be in amounts to be determined by application of rates against gross proceeds of sale, gross income of business, or value of products, including by-products, as the case may be, as follows:

1. Upon every person engaging within the City in business as an extractor; as to such persons the amount of the tax with respect to such business shall be equal to the value of the products, including by-products, extracted within the City for sale or for commercial or industrial use, multiplied by the rate of 0.085%. The measure of the tax is the value of the products, including by-products, so extracted, regardless of the place of sale or the fact that deliveries may be made to points outside the City.

2. Upon every person engaging within the City in business as a manufacturer, as to such persons the amount of the tax with respect to such business shall be equal to the value of the products, including by-products, manufactured within the City, multiplied by the rate of 0.085%. The measure of the tax is the value of the products, including by-products, so manufactured, regardless of the place of sale or the fact that deliveries may be made to points outside the City.

3. Upon every person engaging within the City in the business of making sales at wholesale, as to such persons, the amount of tax with respect to such business shall be equal to the gross proceeds of such sales of the business without regard to the place of delivery of articles, commodities or merchandise sold, multiplied by the rate of 0.085%.

4. Upon every person engaging within the City in the business of making sales at retail, as to such persons, the amount of tax with respect to such business shall be equal to the gross proceeds of such sales of the business, without regard to the place of delivery of articles, commodities or merchandise sold, multiplied by the rate of 0.05%.

5. Upon every person engaging within the City in the business of making sales of retail services; as to such persons, the amount of tax with respect to such business shall be equal to the gross proceeds of sales multiplied by the rate of 0.05%.

6. Upon every person engaging within the City in the business of (i) printing, (ii) both printing and publishing newspapers, magazines, periodicals, books, music, and other printed items, (iii) publishing newspapers, magazines and periodicals, (iv) extracting for hire, and (v) processing for hire; as to such persons, the amount of tax on such business shall be equal to the gross income of the business multiplied by the rate of 0.085%.

7. Upon every other person engaging within the City in any business activity other than or in addition to those enumerated in the above subsections; as to such persons, the amount of tax on account of such activities shall be equal to the gross income of the business multiplied by the rate of 0.085%. This subsection includes, among others, and without limiting the scope hereof (whether or not title to material used in the performance of such business passes to another by accession, merger or other than by outright sale), persons engaged in the business of developing, or producing custom

software or of customizing canned software, producing royalties or commissions, and persons engaged in the business of rendering any type of service which does not constitute a sale at retail, a sale at wholesale, or a retail service.

B. The gross receipts tax imposed in this section shall not apply to any person whose gross proceeds of sales, gross income of the business, and value of products, including by-products, as the case may be, from all activities conducted within the City during any calendar year is equal to or less than \$750,000, or is equal to or less than \$187,500 during any quarter if on a quarterly reporting basis.

Section 7. Regulations Established. A new TMC Section 3.26.070 is hereby established to read as follows:

3.26.070 Multiple Activities Credit When Activities Take Place in One or More Cities with Eligible Gross Receipt Taxes

A. Persons who engage in business activities that are within the purview of two or more subsections of TMC Section 3.26.050 shall be taxable under each applicable subsection.

B. Notwithstanding anything to the contrary herein, if imposition of the City's tax would place an undue burden upon interstate commerce or violate constitutional requirements, a taxpayer shall be allowed a credit to the extent necessary to preserve the validity of the City's tax, and still apply the City tax to as much of the taxpayer's activities as may be subject to the City's taxing authority.

C. To take the credit authorized by this section, a taxpayer must be able to document that the amount of tax sought to be credited was paid upon the same gross receipts used in computing the tax against which the credit is applied.

D. **Credit for persons that sell in the City products that they extract or manufacture.** Persons taxable under the retailing or wholesaling classification with respect to selling products in this City shall be allowed a credit against those taxes for any eligible gross receipts taxes paid (a) with respect to the manufacturing of the products sold in the City, and (b) with respect to the extracting of the products, or the ingredients used in the products, sold in the City. The amount of the credit shall not exceed the tax liability arising under this chapter with respect to the sale of those products.

E. **Credit for persons that manufacture products in the City using ingredients they extract.** Persons taxable under the manufacturing classification with respect to manufacturing products in this City shall be allowed a credit against those taxes for any eligible gross receipts tax paid with respect to extracting the ingredients of the products manufactured in the City. The amount of the credit shall not exceed the tax liability arising under this chapter with respect to the manufacturing of those products.

F. **Credit for persons that sell within the City products that they print, or publish and print.** Persons taxable under the retailing or wholesaling classification with respect to selling products in this City shall be allowed a credit against those taxes for any eligible gross receipts taxes paid with respect to the printing, or the printing and

publishing, of the products sold within the City. The amount of the credit shall not exceed the tax liability arising under this chapter with respect to the sale of those products.

Section 8. Regulations Established. A new TMC Section 3.26.075 is hereby established to read as follows:

3.26.075 Deductions to Prevent Multiple Taxation of Manufacturing Activities and Prior to January 1, 2008, Transactions Involving More Than One City with An Eligible Gross Receipts Tax

A. Amounts subject to an eligible gross receipts tax in another city that also maintains nexus over the same activity. For taxes due prior to January 1, 2008, a taxpayer that is subject to an eligible gross receipts tax on the same activity in more than one jurisdiction may be entitled to a deduction as follows:

1. A taxpayer that has paid an eligible gross receipts tax, with respect to a sale of goods or services, to a jurisdiction in which the goods are delivered or the services are provided may deduct an amount equal to the gross receipts used to measure that tax from the measure of the tax owed to the City.

2. Notwithstanding the above, a person that is subject to an eligible gross receipts tax in more than one jurisdiction on the gross income derived from intangibles such as royalties, trademarks, patents, or goodwill shall assign those gross receipts to the jurisdiction where the person is domiciled (its headquarters is located).

3. A taxpayer that has paid an eligible gross receipts tax on the privilege of accepting or executing a contract with another city may deduct an amount equal to the contract price used to measure the tax due to the other city from the measure of the tax owed to the City.

B. Person manufacturing products within and without. A person manufacturing products within the City using products manufactured by the same person outside the City may deduct from the measure of the manufacturing tax the value of products manufactured outside the City and included in the measure of an eligible gross receipts tax paid to the other jurisdiction with respect to manufacturing such products.

Section 9. Regulations Established. A new TMC Section 3.26.076 is hereby established to read as follows:

3.26.076 Assignment of Gross Income Derived from Intangibles

Gross income derived from the sale of intangibles such as royalties, trademarks, patents, or goodwill shall be assigned to the jurisdiction where the person is domiciled (its headquarters is located).

Section 10. Regulations Established. A new TMC Section 3.26.077 is hereby established to read as follows:

3.26.077 Allocation and Apportionment of Income when Activities Take Place in More than One Jurisdiction

Effective January 1, 2024, gross income, other than persons subject to the provisions of chapter 82.14A RCW, shall be allocated and apportioned as follows:

A. Gross income derived from all activities other than those taxed as service or royalties under TMC Section 3.26.050.A.7. shall be allocated to the location where the activity takes place.

B. In the case of sales of tangible personal property, the activity takes place where delivery to the buyer occurs.

C. In the case of sales of digital products, the activity takes place where delivery to the buyer occurs. The delivery of digital products will be deemed to occur at:

1. The seller's place of business if the purchaser receives the digital product at the seller's place of business;

2. If not received at the seller's place of business, the location where the purchaser or the purchaser's donee, designated as such by the purchaser, receives the digital product, including the location indicated by instructions for delivery to the purchaser or donee, known to the seller;

3. If the location where the purchaser or the purchaser's donee receives the digital product is not known, the purchaser's address maintained in the ordinary course of the seller's business when use of this address does not constitute bad faith;

4. If no address for the purchaser is maintained in the ordinary course of the seller's business, the purchaser's address obtained during the consummation of the sale, including the address of a purchaser's payment instrument, if no other address is available, when use of this address does not constitute bad faith; and

5. If no address for the purchaser is obtained during the consummation of the sale, the address where the digital good or digital code is first made available for transmission by the seller or the address from which the digital automated service or service described in RCW 82.04.050 (2)(g) or (6)(b) was provided, disregarding for these purposes any location that merely provided the digital transfer of the product sold.

D. If none of the methods in TMC Section 3.26.077.C for determining where the delivery of digital products occurs are available after a good faith effort by the taxpayer to apply the methods provided in TMC Section 3.26.077.C.1 through TMC Section 3.26.077.C.5, then the City and the taxpayer may mutually agree to employ any other method to effectuate an equitable allocation of income from the sale of digital products. The taxpayer will be responsible for petitioning the City to use an alternative method under TMC Section 3.26.077.D. The City may employ an alternative method for allocating the income from the sale of digital products if the methods provided in TMC Section 3.26.077.C.1 through TMC Section 3.26.077.C.5 are not available and the taxpayer and the City are unable to mutually agree on an alternative method to effectuate an equitable allocation of income from the sale of digital products.

E. For purposes of TMC Section 3.26.077.C.1 through TMC Section 3.26.077.C.5, the following definitions apply:

1. "Digital automated services," "digital codes," and "digital goods" have the same meaning as in RCW 82.04.192;

2. "Digital products" means digital goods, digital codes, digital automated services, and the services described in RCW 82.04.050(2)(g) and (6)(c); and

3. "Receive" has the same meaning as in RCW 82.32.730.

F. Gross income derived from activities taxed as services and other activities taxed under TMC Section 3.26.050.A.7 shall be apportioned to the City by multiplying apportionable income by a fraction, the numerator of which is the payroll factor plus the service income factor and the denominator of which is two.

1. The payroll factor is a fraction, the numerator of which is the total amount paid in the City during the tax period by the taxpayer for compensation and the denominator of which is the total compensation paid everywhere during the tax period. Compensation is paid in the City if:

- a. The individual is primarily assigned within the City;
- b. The individual is not primarily assigned to any place of business for the tax period and the employee performs 50% or more of his or her service for the tax period in the City; or
- c. The individual is not primarily assigned to any place of business for the tax period, the individual does not perform 50% or more of his or her service in any city and the employee resides in the City.

2. The service income factor is a fraction, the numerator of which is the total service income of the taxpayer in the City during the tax period, and the denominator of which is the total service income of the taxpayer everywhere during the tax period. Service income is in the City if the customer location is in the City.

3. Gross income of the business from engaging in an apportionable activity must be excluded from the denominator of the service income factor if, in respect to such activity, at least some of the activity is performed in the City, and the gross income is attributable under TMC Section 3.26.077.F.2 to a city or unincorporated area of a county within the United States or to a foreign country in which the taxpayer is not taxable. For purposes of TMC Section 3.26.077.F.3, "not taxable" means that the taxpayer is not subject to a business activities tax by that city or county within the United States or by that foreign country, except that a taxpayer is taxable in a city or county within the United States or in a foreign country in which it would be deemed to have a substantial nexus with the city or county within the United States or with the foreign country under the standards in RCW 35.102.050 regardless of whether that city or county within the United States or that foreign country imposes such a tax.

4. If the allocation and apportionment provisions of TMC Section 3.26.077.F do not fairly represent the extent of the taxpayer's business activity in the City, the taxpayer may petition for or the tax administrator may require, in respect to all or any part of the taxpayer's business activity, if reasonable:

- a. Separate accounting;
- b. The exclusion of any one or more of the factors;

c. The inclusion of one or more additional factors that will fairly represent the taxpayer's business activity in the City; or

d. The employment of any other method to effectuate an equitable allocation and apportionment of the taxpayer's income.

5. The party petitioning for, or the tax administrator requiring, the use of any method to effectuate an equitable allocation and apportionment of the taxpayer's income pursuant to TMC Section 3.26.077.F.4 must prove by a preponderance of the evidence:

a. That the allocation and apportionment provisions of this TMC Section 3.26.077.F do not fairly represent the extent of the taxpayer's business activity in the City; and

b. That the alternative to such provisions is reasonable.

c. The same burden of proof shall apply whether the taxpayer is petitioning for, or the tax administrator is requiring, the use of an alternative, reasonable method to effectuate an equitable allocation and apportionment of the taxpayer's income.

6. If the tax administrator requires any method to effectuate an equitable allocation and apportionment of the taxpayer's income, the tax administrator cannot impose any civil or criminal penalty with reference to the tax due that is attributable to the taxpayer's reasonable reliance solely on the allocation and apportionment provisions of TMC Section 3.26.077.F.

7. A taxpayer that has received written permission from the tax administrator to use a reasonable method to effectuate an equitable allocation and apportionment of the taxpayer's income shall not have that permission revoked with respect to transactions and activities that have already occurred unless there has been a material change in, or a material misrepresentation of, the facts provided by the taxpayer upon which the tax administrator reasonably relied in approving a reasonable alternative method.

G. The definitions in this subsection apply throughout this section.

1. **"Apportionable income"** means the gross income of the business taxable under the service classifications of a city's gross receipts tax, including income received from activities outside the City if the income would be taxable under the service classification if received from activities within the City, less any exemptions or deductions available.

2. **"Business activities tax"** means a tax measured by the amount of, or economic results of, business activity conducted in a city or county within the United States or within a foreign country. The term includes taxes measured in whole or in part on net income or gross income or receipts. "Business activities tax" does not include a sales tax, use tax, or a similar transaction tax, imposed on the sale or acquisition of goods or services, whether or not denominated on a gross receipts tax or a tax imposed on the privilege of doing business.

3. **"Compensation"** means wages, salaries, commissions, and any other form of remuneration paid to individuals for personal services that are or would be included in the individual's gross income under the federal Internal Revenue Code.

4. **“Customer”** means a person or entity to whom the taxpayer makes a sale or renders services or from whom the taxpayer otherwise receives gross income of the business.

5. **“Customer location”** means the following:

a. For a customer not engaged in business, if the service requires the customer to be physically present, where the service is performed.

b. For a customer not engaged in business, if the service does not require the customer to be physically present:

(1) The customer’s residence; or

(2) If the customer’s residence is not known, the customer’s billing/mailling address.

c. For a customer engaged in business:

(1) Where the services are ordered from;

(2) At the customer’s billing/mailling address if the location from which the services are ordered is not known; or

(3) At the customer’s commercial domicile if none of the above are known.

6. **“Individual”** means any individual who, under the usual common law rules applicable in determining the employer-employee relationship, has the status of an employee of that taxpayer.

7. **“Primarily assigned”** means the business location of the taxpayer where the individual performs his or her duties.

8. **“Service-taxable income”** or **“service income”** means gross income of the business subject to tax under either the service or royalty classification.

9. **“Tax period”** means the calendar year during which tax liability is accrued. If taxes are reported by a taxpayer on a basis more frequent than once per year, taxpayers shall calculate the factors for the previous calendar year for reporting in the current calendar year and correct the reporting for the previous year when the factors are calculated for that year, but not later than the end of the first quarter of the following year.

H. Assignment or apportionment of revenue under this section shall be made in accordance with and in full compliance with the provisions of the interstate commerce clause of the United States Constitution where applicable.

Section 11. Regulations Established. A new TMC Section 3.26.078 is hereby established to read as follows:

3.26.078 Allocation and Apportionment of Printing and Publishing Income when Activities Take Place in More than One Jurisdiction

Notwithstanding RCW 35.102.130, effective January 1, 2008, gross income from the activities of printing, and of publishing newspapers, periodicals, or magazines, shall be

allocated to the principal place in this state from which the taxpayer's business is directed or managed. As used in this section, the activities of printing, and of publishing newspapers, periodicals, or magazines, have the same meanings as attributed to those terms in RCW 82.04.280(1) by the Department of Revenue.

This chapter shall also not apply to amounts received for the rental of real estate if the rental income is derived from a contract to rent for a continuous period of 30 days or longer.

F. Mortgage brokers' third-party provider services trust accounts. 3.26.100 Deductions

In computing the license fee or tax, there may be deducted from the measure of tax the following items:

A. **Receipts from tangible personal property delivered outside the State.** In computing tax, there may be deducted from the measure of tax under retailing or wholesaling amounts derived from the sale of tangible personal property that is delivered

by the seller to the buyer or the buyer's representative at a location outside the State of Washington.

B. Cash discount taken by purchaser. In computing tax, there may be deducted from the measure of tax the cash discount amounts actually taken by the purchaser. This deduction is not allowed in arriving at the taxable amount under the extracting or manufacturing classifications with respect to articles produced or manufactured, the reported values of which, for the purposes of this tax, have been computed according to the "value of product" provisions.

C. Credit losses of accrual basis taxpayers. In computing tax, there may be deducted from the measure of tax the amount of credit losses actually sustained by taxpayers whose regular books of account are kept upon an accrual basis.

D. Constitutional prohibitions. In computing tax, there may be deducted from the measure of the tax amounts derived from business which the City is prohibited from taxing under the Constitution of the State of Washington or the Constitution of the United States.

E. Receipts from the Sale of Tangible Personal Property and Retail Services Delivered Outside the City but Within Washington. Effective January 1, 2024, amounts included in the gross receipts reported on the tax return derived from the sale of tangible personal property delivered to the buyer or the buyer's representative outside the City but within the State of Washington may be deducted from the measure of tax under the retailing, retail services, or wholesaling classification.

F. Professional employer services. In computing the tax, a professional employer organization may deduct from the calculation of gross income the gross income of the business derived from performing professional employer services that is equal to the portion of the fee charged to a client that represents the actual cost of wages and salaries, benefits, workers' compensation, payroll taxes, withholding, or other assessments paid to or on behalf of a covered employee by the professional employer organization under a professional employer agreement.

G. Interest on investments or loans secured by mortgages or deeds of trust. In computing tax, to the extent permitted by Chapter 82.14A RCW, there may be deducted from the measure of tax by those engaged in banking, loan, security or other financial businesses, amounts derived from interest received on investments or loans primarily secured by first mortgages or trust deeds on non-transient residential properties.

Section 22. Regulations Established. A new TMC Section 3.27.040 is hereby established to read as follows:

3.27.040 When Due and Payable – Reporting Periods – Monthly, Quarterly, and Annual Returns – Threshold Provisions or Relief from Filing Requirements – Computing Time Periods – Failure to File Returns.

A. Other than any annual license fee or registration fee assessed under this chapter, the tax imposed by this chapter shall be due and payable in quarterly installments. At the Director's discretion, businesses may be assigned to a monthly or annual reporting period depending on the tax amount owing or type of tax. Effective January 1, 2024, tax payments are due on or before the time as provided in RCW 82.32.045(1), (2), and (3).

B. Taxes shall be paid as provided in this chapter and accompanied by a return on forms as prescribed by the Director. The return shall be signed by the taxpayer personally or by a responsible officer or agent of the taxpayer. The individual signing the return shall swear or affirm that the information in the return is complete and true.

C. Tax returns must be filed and returned by the due date whether or not any tax is owed.

D. For purposes of the tax imposed by TMC Chapter 3.26, any person whose value of products, gross proceeds of sales, or gross income of the business, subject to tax after all allowable deductions, is equal to or less than \$750,000 in the current calendar year, shall file a return, declare no tax due on their return, and submit the return to the Director. The gross receipts and deduction amounts shall be entered on the tax return even though no tax may be due.

E. A taxpayer that commences to engage in business activity shall file a return and pay the tax or fee for the portion of the reporting period during which the taxpayer is engaged in business activity.

F. Except as otherwise specifically provided by any other provision of this chapter, in computing any period of days prescribed by this chapter the day of the act or event from which the designated period of time runs shall not be included. The last day of the

period shall be included unless it is a Saturday, Sunday, or City or Federal legal holiday, in which case the last day of such period shall be the next succeeding day which is neither a Saturday, Sunday, or City or Federal legal holiday.

G. If any taxpayer fails, neglects or refuses to make a return as and when required in this chapter, the Director is authorized to determine the amount of the tax or fees payable by obtaining facts and information upon which to base the Director's estimate of the tax or fees due. Such assessment shall be deemed prima facie correct and shall be the amount of tax owed to the City by the taxpayer. The Director shall notify the taxpayer by mail of the amount of tax so determined, together with any penalty, interest, and fees due; the total of such amounts shall thereupon become immediately due and payable.

Section 23. Regulations Established. A new TMC Section 3.27.050 is hereby established to read as follows:

3.27.050 Payment Methods – Mailing Returns or Remittances – Time Extension – Deposits – Recording Payments – Payment Must Accompany Return – NSF Checks.

A. Taxes shall be paid to the Director in United States currency by bank draft, certified check, cashier's check, personal check, money order, cash, or by wire transfer or electronic payment if such wire transfer or electronic payment is authorized by the Director. If payment so received is not paid by the bank on which it is drawn, the taxpayer, by whom such payment is tendered, shall remain liable for payment of the tax and for all legal penalties, the same as if such payment had not been tendered. Acceptance of any sum by the Director shall not discharge the tax or fee due unless the amount paid is the full amount due.

B. A return or remittance that is transmitted to the City by United States mail shall be deemed filed or received on the date shown by the cancellation mark stamped by the Post Office upon the envelope containing it. The Director may allow electronic filing of returns or remittances from any taxpayer. A return or remittance which is transmitted to the City electronically shall be deemed filed or received according to procedures set forth by the Director.

C. If a written request is received prior to the due date, the Director, for good cause, may grant, in writing, additional time within which to make and file returns.

D. The Director shall keep full and accurate records of all funds received or refunded. The Director shall apply payments first against all penalties and interest owing, and then upon the tax, without regard to any direction of the taxpayer.

E. For any return not accompanied by a remittance of the tax shown to be due thereon, the taxpayer shall be deemed to have failed or refused to file a return and shall be subject to the penalties and interest provided in this chapter.

F. Any payment made that is returned for lack of sufficient funds or for any other reason will not be considered received until payment by certified check, money order, or cash of the original amount due, plus a "non-sufficient funds" (NSF) charge of \$25.00 for checks of \$50.00 or less and \$40.00 for checks over \$50.00 is received by the

Director. Any license issued upon payment with a NSF check will be considered void, and shall be returned to the Director. No license shall be reissued until payment (including the NSF charge) is received.

G. The Director is authorized, but not required, to mail tax return forms to taxpayers, but failure of the taxpayer to receive any such forms shall not excuse the taxpayer from filing returns and making payment of the taxes or fees, when and as due under this chapter.

Section 24. Regulations Established. A new TMC Section 3.27.060 is hereby established to read as follows:

3.27.060 Records to be Preserved – Examination – Estoppel to Question Assessment.

Every person liable for any fee or tax imposed by this chapter shall keep and preserve, for a period of 5 years after filing a tax return, such records as may be necessary to determine the amount of any fee or tax for which the person may be liable; which records shall include copies of all federal income tax and state tax returns and reports made by the person. All books, records, papers, invoices, vendor lists, inventories, stocks of merchandise, and other data including federal income tax and state tax returns and reports shall be open for examination at any time by the Director or its duly authorized agent. Every person's business premises shall be open for inspection or examination by the Director or a duly authorized agent.

A. If a person does not keep the necessary books and records within the City, it shall be sufficient if such person (a) produces within the City such books and records as may be required by the Director, or (b) bears the cost of examination by the Director's agent at the place where such books and records are kept; provided that the person electing to bear such cost shall pay in advance to the Director the estimated amount thereof including round-trip fare, lodging, meals and incidental expenses, subject to adjustment upon completion of the examination.

B. Any person who fails, or refuses a Department request, to provide or make available records, or to allow inspection or examination of the business premises, shall be forever barred from questioning in any court action, the correctness of any assessment of taxes made by the City for any period for which such records have not been provided, made available or kept and preserved, or in respect of which inspection or examination of the business premises has been denied. The Director is authorized to determine the amount of the tax or fees payable by obtaining facts and information upon which to base the estimate of the tax or fees due. Such fee or tax assessment shall be deemed prima facie correct and shall be the amount of tax owing the City by the taxpayer. The Director shall notify the taxpayer by mail the amount of tax so determined, together with any penalty, interest, and fees due; the total of such amounts shall thereupon become immediately due and payable.

Section 25. Regulations Established. A new TMC Section 3.27.070 is hereby established to read as follows:

3.27.070 Accounting Methods

A. A taxpayer may file tax returns in each reporting period with amounts based upon cash receipts only if the taxpayer's books of account are kept on a cash receipts basis. A taxpayer that does not regularly keep books of account on a cash receipts basis must file returns with amounts based on the accrual method.

B. The taxes imposed and the returns required hereunder shall be upon a calendar year basis.

Section 26. Regulations Established. A new TMC Section 3.27.080 is hereby established to read as follows:

3.27.080 Public Work Contracts – Payment of Fee and Tax Before Final Payment for Work

The Director may, before issuing any final payment to any person performing any public work contract for the City, require such person to pay in full all license fees or taxes due under this title from such person on account of such contract or otherwise, and may require such taxpayer to file with the Director a verified list of all subcontractors supplying labor and/or materials to the person in connection with said public work.

Section 27. Regulations Established. A new TMC Section 3.27.090 is hereby established to read as follows:

3.27.090 Underpayment of Tax, Interest, or Penalty - Interest

A. If, upon examination of any returns, or from other information obtained by the Director, it appears that a tax or penalty less than that properly due has been paid, the Director shall assess the additional amount found to be due and shall add thereto interest on the tax only. The Director shall notify the person by mail of the additional amount, which shall become due and shall be paid within 30 days from the date of the notice, or within such time as the Director may provide in writing.

B. For tax periods after December 31, 2004 the Director shall compute interest in accordance with RCW 82.32.050 as it now exists or as it may be amended.

C. If TMC Section 3.27.090.B is held to be invalid, then the provisions of RCW 82.32.050 existing at the effective date of this ordinance shall apply.

Section 28. Regulations Established. A new TMC Section 3.27.095 is hereby established to read as follows:

3.27.095 Time in Which Assessment May Be Made

The Director shall not assess, or correct an assessment for additional taxes, penalties, or interest due more than four years after the close of the calendar year in which they were incurred, except that the Director may issue an assessment:

- A. Against a person who is not currently registered or licensed or has not filed a tax return as required by this chapter for taxes due within the period commencing 10 years prior to the close of the calendar year in which the person was contacted in writing by the Director;
- B. Against a person that has committed fraud or who misrepresented a material fact; or
- C. Against a person that has executed a written waiver of such limitations.

Section 29. Regulations Established. A new TMC Section 3.27.100 is hereby established to read as follows:

3.27.100 Over Payment of Tax, Penalty, or Interest – Credit or Refund – Interest Rate – Statute of Limitations

A. If, upon receipt of an application for a refund, or during an audit or examination of the taxpayer's records and tax returns, the Director determines that the amount of tax, penalty, or interest paid is in excess of that properly due, the excess amount shall be credited to the taxpayer's account or shall be refunded to the taxpayer. Except as provided in TMC Section 3.27.100.B, no refund or credit shall be made for taxes, penalties, or interest paid more than 4 years prior to the beginning of the calendar year in which the refund application is made or examination of records is completed.

B. The execution of a written waiver shall extend the time for applying for, or making a refund or credit of any taxes paid during, or attributable to, the years covered by the waiver if, prior to the expiration of the waiver period, an application for refund of such taxes is made by the taxpayer or the Director discovers that a refund or credit is due.

C. Refunds shall be made by means of vouchers approved by the Director and by the issuance of a City check or warrants drawn upon and payable from such funds as the City may provide.

D. Any final judgment for which a recovery is granted by any court of competent jurisdiction for tax, penalties, interest, or costs paid by any person shall be paid in the same manner, as provided in TMC Section 3.27.100.C, upon the filing with the Director a certified copy of the order or judgment of the court.

Section 30. Regulations Established. A new TMC Section 3.27.110 is hereby established to read as follows:

3.27.110 Late Payment – Disregard of Written Instructions – Evasion - Penalties

A. If payment of any tax due on a return to be filed by a taxpayer is not received by the Director by the due date, the Director shall add a penalty in accordance with RCW 82.32.090(1), as it now exists or as it may be amended.

B. If the Director determines that any tax has been substantially underpaid as defined in RCW 82.32.090(2), there shall be added a penalty in accordance with RCW 82.32.090(2), as it now exists or as it may be amended.

C. If a citation or criminal complaint is issued by the Director for the collection of taxes, fees, assessments, interest or penalties, there shall be added thereto a penalty in accordance with RCW 82.32.090(3), as it now exists or as it may be amended.

D. If the Director finds that a person has engaged in any business or performed any act upon which a tax is imposed under this title and that person has not obtained from the Director a license as required by City of Tukwila, the Director shall impose a penalty in accordance with RCW 82.32.090(4), as it now exists or as it may be amended. No penalty shall be imposed under TMC Section 3.27.110.D if the person who has engaged in business without a license obtains a license prior to being notified by the Director of the need to be licensed.

E. If the Director determines that all or any part of a deficiency resulted from the taxpayer's failure to follow specific written tax reporting instructions, there shall be assessed a penalty in accordance with RCW 82.32.090(5), as it now exists or as it may be amended.

F. If the Director finds that all or any part of the deficiency resulted from an intent to evade the tax payable, the Director shall assess a penalty in accordance with RCW 82.32.090(5), as it now exists or as it may be amended.

G. The penalties imposed under TMC Section 3.27.110.A through E can each be imposed on the same tax found to be due. This subsection does not prohibit or restrict the application of other penalties authorized by law.

H. The Director shall not impose both the evasion penalty and the penalty for disregarding specific written instructions on the same tax found to be due.

I. For the purposes of this section, "return" means any document a person is required by the City of Tukwila to file to satisfy or establish a tax or fee obligation that is administered or collected by the City, and that has a statutorily defined due date.

J. If incorporation of future changes to RCW 82.32.090 into the Tukwila Municipal Code is deemed invalid, then the provisions of RCW 82.32.090 existing at the time this ordinance is effective shall apply.

Section 31. Regulations Established. A new TMC Section 3.27.120 is hereby established to read as follows:

3.27.120 Cancellation of Penalties

A. The Director may cancel any penalties imposed under TMC Section 3.27.110.A if the taxpayer shows that its failure to timely file or pay the tax was due to reasonable cause and not willful neglect. Willful neglect is presumed unless the taxpayer shows that it exercised ordinary business care and prudence in making arrangements to file the return and pay the tax but was, nevertheless, due to circumstances beyond the taxpayer's control, unable to file or pay by the due date. The Director has no authority to cancel any other penalties or to cancel penalties for any other reason except as provided in TMC Section 3.27.120.C.

B. A request for cancellation of penalties must be received by the Director within 30 days after the date the Department mails the notice that the penalties are due. The request must be in writing and contain competent proof of all pertinent facts supporting a reasonable cause determination. In all cases the burden of proving the facts rests upon the taxpayer.

C. The Director may cancel the penalties in TMC Section 3.27.110.A one time if a person:

1. Is not currently licensed and filing returns,
2. Was unaware of its responsibility to file and pay tax, and
3. Obtained business licenses and filed past due tax returns within 30 days after being notified by the Department.

D. The Director shall not cancel any interest charged upon amounts due.

Section 32. Regulations Established. A new TMC Section 3.27.130 is hereby established to read as follows:

3.27.130 Taxpayer Quitting Business – Liability of Successor

A. Whenever any taxpayer quits business, sells out, exchanges, or otherwise disposes of his business or his stock of goods, any tax payable hereunder shall become immediately due and payable. Such taxpayer shall, within 10 days thereafter, make a return and pay the tax due.

B. Any person who becomes a successor shall become liable for the full amount of any tax owing. The successor shall withhold from the purchase price a sum sufficient to pay any tax due to the City from the taxpayer until such time as: a) the taxpayer shall produce a receipt from the City showing payment in full of any tax due or a certificate that no tax is due, or b) more than 6 months has passed since the successor notified the Director of the acquisition and the Director has not issued and notified the successor of an assessment.

C. Payment of the tax by the successor shall, to the extent thereof, be deemed a payment upon the purchase price. If such payment is greater in amount than the purchase price, the amount of the difference shall become a debt due such successor from the taxpayer.

D. Notwithstanding the above, if a successor gives written notice to the Director of the acquisition, and the Department does not within 6 months of the date it received the notice issue an assessment against the taxpayer and mail a copy of that assessment to the successor, the successor shall not be liable for the tax.

Section 33. Regulations Established. A new TMC Section 3.27.140 is hereby established to read as follows:

3.27.140 Administrative Appeal

A. Any person aggrieved by the calculation of the tax determined to be due to the City pursuant to this chapter may appeal to the Finance Director or his/her designee from such determination by filing a written notice of appeal with the City Clerk within 20 calendar days from the date on which such person was given notice of the tax. The notice of appeal must state the grounds for appeal, including a detailed explanation of why the amount of the tax was incorrect. The Finance Director or designee shall review the basis for the appeal and may request clarification from the appellant. After the review is complete, the Finance Director or designee shall issue an administrative decision that may sustain or modify the amount of tax owed. Notice of the administrative decision shall be sent to the appellant by certified mail within 10 days of issuance.

B. The appellant, if aggrieved by the decision of the Finance Director or designee, may then appeal to the City Hearing Examiner within 20 calendar days of the date the administrative decision is mailed to the appellant. The notice of appeal must state the grounds for appeal, including a detailed explanation of why the administrative decision is incorrect. The notice of appeal must be accompanied by an Appeal Fee in accordance with the fee schedule adopted by resolution of the City Council.

C. Upon timely filing of a notice of appeal, the Finance Director shall schedule a hearing on the appeal before the City's Hearing Examiner. The hearing shall be conducted no later than 30 days from the date of the notice of appeal, unless an extension is agreed to by the appellant or otherwise ordered by the Hearing Examiner for good cause shown. Notice of the hearing and the appeal shall be given to the appellant by certified mail at least five days prior to the date of the hearing.

D. The hearing shall be governed by the City of Tukwila Hearing Examiner's procedural rules. The hearing shall be de novo. The decision of the City's Hearing Examiner or other hearing body shall be based upon a preponderance of the evidence. The burden of proof shall be on the appellant. The Hearing Examiner or other hearing body may affirm, reverse or modify the Finance Director's decision.

E. Within 20 business days, excluding holidays recognized by the City of Tukwila, from the date of the hearing on an appeal under this section, the Hearing Examiner shall issue a written decision which shall set forth the reasons therefor.

Section 34. Regulations Established. A new TMC Section 3.27.260 is hereby established to read as follows:

confer with the petitioner concerning form and style of the petition, issue the petition and identifications number, and secure an accurate, concise, and positive ballot title from the City Attorney. The petitioner shall then have 30 days in which to secure the signatures of not less than 15% of the City's registered voters as of the last municipal general election upon petition forms which contain the ballot title and the full text of the measures to be referred. The City Clerk shall verify the sufficiency of the signatures and, if sufficient valid signatures are properly submitted, shall certify the referendum measure to the next election ballot within the City or at a special election ballot as provided pursuant to RCW 35.17.260(2).

Section 36. Corrections by City Clerk or Code Reviser Authorized. Upon approval of the City Attorney, the City Clerk and the code reviser are authorized to make necessary corrections to this ordinance, including the correction of clerical errors; references to other local, state or federal laws, codes, rules, or regulations; or ordinance numbering and section/subsection numbering.

Section 37. Severability. If any section, subsection, paragraph, sentence, clause or phrase of this ordinance or its application to any person or situation should be held to be invalid or unconstitutional for any reason by a court of competent jurisdiction, such invalidity or unconstitutionality shall not affect the validity or constitutionality of the remaining portions of this ordinance or its application to any other person or situation.
