

INFORMATIONAL MEMORANDUM

TO: Community Services & Safety Committee

FROM: Chief Eric Drever

BY: Deputy Chief Eric Lund

CC: Mayor Ekberg

DATE: November 21, 2022

SUBJECT: Flock License Plate Reader Cameras UPDATE

ISSUE

This information is intended to update the committee on the progress of the installation of Flock ALPR cameras around the city. In addition, due to increased criminal activity at Westfield Southcenter Mall, the Police Department and Westfield have identified 9 additional cameras that will be installed on private property at Southcenter Mall. The cost of these 9 additional cameras will be included in a 2nd contract and the city will be reimbursed through a partnership with the Westfield Corporation.

BACKGROUND

In March of 2022, the PD presented information to the CSS Committee about Flock Safety ALPR. The main goal of this project is to reduce criminal activity in the City of Tukwila. The original project has almost completed the City of Tukwila permitting process.

DISCUSSION

After several violent crimes that have been increasing on or around Southcenter Mall, executives from Westfield presented at a recent City Council meeting about the safety of employees and shoppers. A high percentage of crimes committed citywide involve the use of a vehicle. Many of these vehicles are reported stolen. One benefit of using Flock ALPR cameras will be that all officers working will receive a real time alert when a stolen vehicle passes by one of the Flock cameras and enters Westfield property. This will give officers a head-start on deterring criminal activity. The cameras can also provide investigators with extremely valuable evidence to help them solve crimes that have occurred, in order to hold those that are committing crimes accountable.

FINANCIAL IMPACT

The cost of the cameras that will be installed at Southcenter Mall, will total \$25,650 for 1 year. The financial impact to the city will be \$0, as Westfield has agreed to cover the costs of the police department installing and operating these cameras. This cost includes maintenance, theft, vandalism, etc., so there are no additional unforeseen costs associated.

RECOMMENDATION
