INFORMATIONAL MEMORANDUM

TO: **Community Services & Safety Committee**

FROM: **David Rosen, Parks & Recreation Fiscal Analyst**

DATE: **March 1, 2023**

SUBJECT: **Grant Acceptance – Veterans, Seniors, and Human Services Levy (VSHSL)**

ISSUE

The Tukwila Parks and Recreation Department has been awarded \$60,000 in grant funding from the King County Department of Community and Human Services. This grant, due to its monetary amount, requires council approval to be accepted.

BACKGROUND

The VSHSL is a voter approved six-year property tax levy that envisions senior centers in King County as inclusive central hubs where diverse groups of older adults can form community bonds and access a variety of senior programming and services. Tukwila has received VSHSL funding for several years. The current levy is set to expire in December 2023. A request for renewing the levy will go before the King County Council in May and if approved will go to voters in August.

DISCUSSION

Staff were informed in October of the grant award. However, by the time the contract amendment had been provided by King County, the active contract had expired. Per city policy, staff requested King County issue the city a new contract for execution, which was received in mid-February.

Some program highlights of the VSHSL include:

- Providing services such as fitness passes, art classes, and community engagement opportunities to 614 unique people in FY22 and 790 unique people in the past several FYs
- Hosting 8,689 senior fitness membership scans in FY22
- Providing “Hub” partner events with the City of Burien for veterans such as a picnic, Mariners game, Veteran’s Day event, waterways cruise, and the 12 Days of Goodness with the Seattle Seahawks. These events served 237 veterans and family members. A “Hub” refers to services or events being coordinated by multiple community centers such as Tukwila and Burien.

FINANCIAL IMPACT

The grant award is in the amount of \$60,000, with payments coming quarterly for preceding quarters (4/14/23, 7/14/23, 10/13/23, and 1/15/24) in equal installments. The grant does **not** require a match and therefore does not create any net financial impact on the General Fund. Staff did not budget to receive these revenues in the FY23/24 budget as the status of the levy was unclear at the time. Had the grant not been received, services would have either been reduced and/or greater cost recovery would have been required from program participants.

RECOMMENDATION

Staff recommends the attached contract be forwarded for approval on the City Council Consent Agenda on Monday, March 20th.

If the County determines that the Contractor has failed to comply with any terms or conditions of this Contract, or the Contractor has failed to provide in any manner the work or services (each a "breach"), and if the County determines that the breach warrants corrective action, the following procedure will apply:

- A. Written Notification:

The County will notify the Contractor in writing of the nature of the breach.

- B. Contractor's Corrective Action Plan:

The Contractor shall respond with a written corrective action plan within ten working days of its receipt of such notification unless the County, at its sole discretion, extends in writing the response time. The plan shall indicate the steps being taken to correct the specified breach and shall specify the proposed completion date for curing the breach. D. Termination or Suspension:

If the Contractor does not respond within the appropriate time with a corrective action plan, or the Contractor's corrective action plan is determined by the County to be insufficient, the County may terminate or suspend this Contract in whole or in part pursuant to Section 12.

E. Withholding Payment:

In addition, the County may withhold any payment to the Contractor or prohibit the Contractor from incurring additional obligations of funds until the County is satisfied that corrective action has been taken or completed.

F. Non-Waiver of Rights:

Nothing herein shall be deemed to affect or waive any rights the parties may have pursuant to Section 12, Subsections B, C, or D.

11. Dispute Resolution

The parties shall use their best, good-faith efforts to cooperatively resolve disputes and problems that arise in connection with this Contract. Both parties will make a good faith effort to continue without delay to carry out their respective responsibilities under this Contract while attempting to resolve the dispute under this Section.

12. Termination

A. Termination for Convenience:

This Contract may be terminated by the County without cause, in whole or in part, at any time during the term specified in Section 2. above, by providing the Contractor 30 calendar days advance written notice of the termination. The Contract may be suspended by the County without cause, in whole or in part, at any time during the term specified in Section 2. above, by providing the Contractor 30 calendar days advance written notice of the suspension.

B. Termination for Default:

The County may terminate or suspend this Contract, in whole or in part, upon seven business days advance written notice if: (1) the Contractor breaches any duty, obligation, or service required pursuant to this Contract and either (a) the corrective action process described in Section 10. fails to cure the breach or (b) the County determines that requiring a corrective action plan is impractical or that the duties, obligations, or services required herein become impossible, illegal, or not feasible. If the Contract is terminated by the County pursuant to this Subsection 12.B., the Contractor shall be liable for damages, including any additional costs of procuring similar services from another source.

If the termination results from acts or omissions of the Contractor, including but not limited to misappropriation, nonperformance of required services, or fiscal mismanagement, the Contractor shall return to the County immediately any funds, misappropriated or unexpended, that have been paid to the Contractor by the County.

C. Termination for Non-Appropriation:

If expected or actual funding is withdrawn, reduced, or limited in any way prior to the termination date set forth above in Section 2., the County may, upon seven business days advance written notice to the Contractor, terminate or suspend this Contract in whole or in part.

If the Contract is terminated or suspended as provided in this Subsection 12.C.: (1) the County will be liable only for payment in accordance with the terms of this Contract for services rendered prior to the effective date of termination or suspension; and (2) the Contractor shall be released from any obligation to provide such further services pursuant to the Contract as are affected by the termination or suspension.

Funding or obligation under this Contract beyond the current appropriation year is conditional upon appropriation by the County Council and/or other identified funding source(s) of sufficient funds to support the activities described in the Contract. If such appropriation is not approved, this Contract will terminate at the close of the current appropriation year. The current funding sources associated with this Contract are specified on page one.

If the Contract is suspended as provided in this Section, the County may provide written authorization to resume activities.

D. Non-Waiver of Rights:

Nothing herein shall limit, waive, or extinguish any right or remedy provided by this Contract or by law or equity that either party may have if any of the obligations, terms, and conditions set forth in this Contract are breached by the other party.

13. Hold Harmless and Indemnification

A. Duties as Independent Contractor:

In providing services under this Contract, the Contractor is an independent contractor, and neither it nor its officers, agents, or employees are employees of the County for any purpose. The Contractor shall be responsible for all federal and/or state tax, industrial insurance, and Social Security liability that may result from the performance of and compensation for these services and shall make no claim of career service or civil service rights which may accrue to a County employee under state or local law.

The County assumes no responsibility for the payment of any compensation, wages, benefits, or taxes, by, or on behalf of the Contractor, its employees, and/or others by reason of this Contract.

The Contractor shall protect, indemnify, defend, and save harmless the County, its officers, agents, and employees from and against any and all claims, costs, and/or losses whatsoever occurring or resulting from (1) the Contractor's failure to pay any such compensation, wages, benefits, or taxes, and/or (2) the supplying to the Contractor of work, services, materials, or supplies by Contractor employees or other suppliers in connection with or support of the performance of this Contract.

B. Contractor's Duty to Repay County:

The Contractor is financially responsible for and shall repay the County all indicated amounts following an audit exception which occurs due to the negligence, intentional act, and/or failure, for any reason, to comply with the terms of this Contract, by the Contractor, its officers, employees, agents, and/or representatives. This duty to repay the County shall not be diminished or extinguished by the termination of the Contract.

C. Contractor Indemnifies County:

To the maximum extent permitted by law, the Contractor shall protect, defend, indemnify, and save harmless the County, its officers, employees, and agents from any and all costs, claims, judgments, and/or awards of damages, arising out of, or in any way resulting from, the negligent acts or omissions of the Contractor, its officers, employees, Subcontractors and/or agents, in its performance or non-performance of its obligations under this Contract. The Contractor's obligations under this Subsection 13.C. shall extend to any claim, demand, and/or cause of action brought by, or on behalf of, any of its employees or agents. For this purpose, the Contractor, by mutual negotiation, hereby waives, as respects the County only, any immunity that would otherwise be available against such claims under any industrial insurance act, including [Title 51 RCW](#), other Workers' Compensation act, disability benefit act, or other employee benefit act of any jurisdiction which would otherwise be applicable in the case of such claim. In addition, the Contractor shall protect and assume the defense of the County and its officers, agents, and employees in all legal or claim proceedings arising out of, in connection with, or incidental to its indemnity obligation; and shall pay all defense expenses, including reasonable attorney's fees, expert fees, and costs incurred by the County on account of such litigation or claims. If the County incurs any judgment, award, and/or cost arising therefrom including reasonable attorneys' fees to enforce the provisions of this article, all such fees, expenses, and costs shall be recoverable from the Contractor.

D. County Indemnifies Contractor:

To the maximum extent permitted by law, the County shall protect, defend, indemnify, and save harmless the Contractor, its officers, employees, and agents from any and all costs, claims, judgments, and/or awards of damages, arising out of, or in any way resulting from, the negligent acts or omissions of the County, its officers, employees, and/or agents, in its performance and/or non-performance of its obligations under this Contract. The County's obligations under this Subsection 13.D. extend to any claim, demand, and/or cause of action brought by, or on behalf of, any of its employees or agents. For this purpose, the County, by mutual negotiation, hereby waives, as respects the Contractor only, any immunity that would otherwise be available against such claims under the Industrial

Insurance provisions of [Title 51 RCW](#). In the event the Contractor incurs any judgment, award, and/or cost arising therefrom including reasonable attorneys' fees to enforce the provisions of this article, all such fees, expenses, and costs shall be recoverable from the County.

E. Intellectual Property Infringement:

For purposes of this Subsection 13.E., claims shall include, but not be limited to, assertions that use or transfer of software, book, document, report, film, tape, or sound reproduction or material of any kind, delivered hereunder, constitutes an infringement of any copyright, patent, trademark, trade name, and/or otherwise results in unfair trade practice.

The indemnification, protection, defense, and save harmless obligations contained herein shall survive the expiration, abandonment, or termination of this Contract.

14. Insurance Requirements

Contractor shall provide evidence of the insurance required under this Contract, including a Certificate of Insurance and endorsements covering King County as additional insured for full coverage and policy limits within 30 calendar days of Contract execution. Evidence of insurance and endorsements shall be submitted by email to DCHSContracts@kingcounty.gov. The Contractor may request additional time to provide the required documents by emailing DCHSContracts@kingcounty.gov. Extensions will be granted at the sole discretion of the County. All evidence of insurance shall be signed by a properly authorized officer, agent, general agent, or qualified representative of the insurer(s), shall certify the name of the insured(s), the type and amount of insurance, the inception and expiration dates, contract number, and shall state that the County shall receive notice at least thirty (30) days prior to the effective date of any cancellation, lapse, or material change in the policy. Similar documentation confirming renewal of required insurance shall be provided on each insurance renewal date.

In the event of a loss, the County reserves the right to require complete, certified copies of all required insurance policies, including endorsements and riders, which may be redacted of any confidential or proprietary information. Contractor shall deliver such policies to the County within five (5) business days of County's request.

County's receipt or acceptance of Contractor's evidence of insurance at any time without comment or objection, or County's failure to request certified copies of such insurance, does not waive, alter, modify, or invalidate any of the insurance requirements set forth in this Section or, consequently, constitute County's acceptance of the adequacy of Contractor's insurance.

Unless otherwise provided in an Exhibit to this Contract, the Contractor shall purchase and maintain, at its sole cost and expense, the minimum insurance set forth below. By requiring such minimum insurance, County does not and shall not be deemed or construed to have assessed the risks that may be applicable to Contractor, or any Subcontractor, under this Contract, or in any way limit County's potential recovery to insurance limits required hereunder. To the contrary, this Contract's insurance requirements may not in any way be construed as limiting any potential liability to County or County's potential recovery for Contractor. Contractor shall assess its own risks and if it deems appropriate and/or prudent, maintain greater limits and/or broader coverage.

Nothing contained within these insurance requirements shall be deemed to limit the scope, application, and/or limits of the coverage afforded, which coverage shall apply to each insured to the full extent provided by the terms and conditions of the policy(s).

Each insurance policy shall be written on an "occurrence" basis/form; excepting insurance for Professional Liability (Errors and Omissions), and/or Cyber Liability (Technology Errors and Omissions) required by this Contract is acceptable on a "claims made" basis/form. If coverage is approved and purchased on a "claims made" basis/form, the coverage provided under that insurance shall be maintained through: (i) consecutive policy renewals for not less than three (3) years from the date of the work which is subject to this Contractor or, if such renewals are unavailable, (ii) the purchase of a tail/extended reporting period for not less than three (3) years from the date of completion of the work which is subject of this Contract. All insurance written on a "claims made" basis/form must have its policy inception or retroactive date be no later than the effective date of the Contract, unless otherwise approved in writing by the County's Risk Management Office.

With respect to all liability policies except Professional Liability (Errors and Omissions), and Workers' Compensation:

- i. The County, its officials, employees, and agents shall be covered as additional insured for full coverage and policy limits as respects liability arising out of activities performed by or on behalf of the Contractor, its agents, representatives, employees, or Subcontractor(s) in connection with this Contract. Additional Insured status shall

Any insurance and/or self-insurance maintained by the County, its officials, employees, or agents shall not contribute with any Contractor's or Subcontractor's insurance or benefit the Contractor or any Subcontractor, or their respective insurers in any way.
 - ii. Insurance shall expressly state that it applies separately to each insured and additional insured against whom a claim is made and/or lawsuit is brought, except with respect to the limits of insurer's liability.
- C. Deductibles and Self-Insured Retentions: Any deductible and/or self-insured retention of the policies shall not apply to the Contractor's liability to the County and shall be the sole responsibility of the Contractor or its Subcontractor.
- D. Acceptability of Insurers: Insurance coverage is to be placed with insurers with an A.M. Best rating of no less than A:VIII, or, if not rated with an A.M. Best, with minimum surplus equivalent of an A.M. Bests' surplus size VIII.

Professional Liability (Errors and Omissions) insurance coverage may be placed with insurers with an A.M. Bests' rating of B+:VII. Any exception must be approved by the County.

If at any time any of the foregoing policies fail to meet minimum requirements, the Contractor shall, upon notice to that effect from the County, promptly obtain a new policy, and shall submit the same to the County, with the appropriate certificates and endorsements, for approval.

- E. Subcontractors: Contractor shall include all Subcontractors as insureds under its policies or, alternatively, the Contractor must require each of its Subcontractors to procure and maintain appropriate and reasonable insurance coverage and insurance limits to cover each of the Subcontractor's liabilities given the Subcontractor's scope of work and the services being provided herein. To the extent reasonably commercially available, insurance maintained by any Subcontractor must comply with the specified requirements of Sections 16 (inclusive) above, including the requirement that all liability insurance policies (except Professional Liability and Workers Compensation) provided by the Subcontractor(s) must include County, its officials, agents and employees as additional insured for full coverage and policy limits. Contractor is obligated to require and verify that each Subcontractor maintains the required insurance and ensure County is included as additional insured. Upon request by the County, and within five (5) business days, Contractor must provide evidence of each Subcontractor(s) insurance coverage, including endorsements.

Such requests shall be made to the County at: DCHSContracts@kingcounty.gov for review. All waiver request approvals or denials are in the County's sole discretion to be granted. If approved by the County, the Contractor shall still provide proof of and hold all other required provisions as stated above.

The Contractor shall not subcontract any portion of this Contract or transfer or assign any claim arising pursuant to this Contract without the written consent of the County. The County's consent must be sought in writing by the Contractor not less than 15 days prior to the date of any proposed subcontract.

The rejection or approval by the County of any Subcontractor or the termination of a Subcontractor will not relieve Contractor of any of its responsibilities under the Contract, nor be the basis for additional charges to the County.

In no event will the existence of the subcontract operate to release or reduce the liability of Contractor to the County for any breach in the performance of Contractor's duties.

18. **Code of Conduct**

The County and Contractor shall refrain from engaging in any conduct that communicates a hostile, demeaning, or unwelcome message. Such prohibited conduct can be either verbal or nonverbal and includes, but is not limited to microaggressions, deliberate misgendering, slights, and other conduct that could cause harm. 20. Equipment Purchase, Maintenance, and Ownership

II. PROGRAM DESCRIPTION

King County’s overarching goal is to ensure that all people, regardless of who they are and where they live, have the opportunity to thrive, with full and equal access to opportunities, power and resources. ASD, in its partnership with CITY OF TUKWILA shares a commitment to contributing to community-level change and individual-level impact in the division’s five result areas:

- Financial Stability
- Healthy Living
- Housing Stability
- Service System Access and Improvement
- Social Engagement.

Accordingly, the parties will work together to perform and report the services funded under this Exhibit in a manner that contributes to the equity goals of the County described herein.

Based on the growing scientific understanding of the risks of isolation and racial disparities in access to critical services, King County seeks to support Senior Centers in becoming vibrant and inclusive Senior Hubs that expand outreach to isolated Seniors and support opportunities for engagement among King County's diverse community of Seniors. This strategy promotes belonging where systems, biases, miscommunications and/or cultural differences too often isolate. Partner agencies funded through this strategy will expand King County's racial equity goals by conducting inclusive outreach to diverse older adults. Partner agencies will pay particular attention in outreaching to Black, Indigenous, and People of Color (BIPOC) communities, communities whose primary language is not English, and communities experiencing poverty with reduced access to needed resources.
