Project No. 91810403

Contract Award to Active Construction, Inc.

ISSUE

Award the Green River Trail Connector construction contract Active Construction Inc., as the low responsive bidder.

BACKGROUND

A call for bids was advertised on November 7, 2023, and November 14, 2023, for the Green River Trail Connector project. One addendum was issued correcting minor issues in the bid documents. Bids were due by 9:30 a.m. on November 28, 2023, and were publicly opened at 10:00 a.m. on the same day. seven bids were received. The apparent low bid was received from Active Construction Inc.

ANALYSIS

The construction bids were reviewed, and only a few minor irregularities were found in all the bids. There were no errors in the low bid. One error was found in the Engineer's Estimate due to an incorrect quantity for one item. A minor error was found in the third low bid and a more significant error was found in the high bid. Active Construction Inc. has successfully worked for Tukwila on past projects with similar size and scope. The contractor does not have any exceptions or has been debarred from working on state or federally funded projects.

FINANCIAL IMPACT

The bid from Active Construction Inc. came in under the Engineer's Estimate and is within the available funding for the project.
