The crime of leaving minor children in an unattended vehicle is a misdemeanor.

B. Probable cause for this offense is established only in circumstances where an officer on the scene:

1. Believes there is an imminent threat of property damage or bodily injury or death to any person; or
2. Is able to articulate reasons from personal observation tending to establish some threat to the safety of persons or property. 1. The defendant's purpose was to protect the child, incompetent person, or himself or herself from imminent physical harm; that the belief in the existence of the imminent physical harm was reasonable; and that the defendant sought the assistance of the police, sheriff's office, protective agencies, or the court of any state before committing the acts giving rise to the charges or within a reasonable time thereafter;

2. The complainant had, prior to the defendant committing the acts giving rise to the crime, for a protracted period of time failed to exercise his or her rights to physical custody or access to the child under a court-ordered parenting plan or order granting visitation rights, provided that such failure was not the direct result of the defendant's denial of access to such person;

3. The acts giving rise to the charges were consented to by the complainant; or

4. The offender, after providing or making a good faith effort to provide notice to the person entitled to access to the child, failed to provide access to the child due to reasons that a reasonable person would believe were directly related to the welfare of the child, and allowed access to the child in accordance with the court order within a reasonable period of time. The burden of proof that the denial of access was reasonable is upon the person denying access to the child.

C. Consent of a child less than 16 years of age or of an incompetent person does not constitute a defense to an action under TMC 8.06.030.

(Ord. 2293 §2, 2010)

8.22.020 Definitions

As used in this chapter, the following terms shall have the meanings set forth in this section, unless a different meaning is clearly indicated by the context in which the term is used. Terms not defined herein shall be interpreted using the meaning they have in common usage and to give this chapter its most reasonable application.

1. **“Administrator”** means the Director of Community Development, the Chief of Police, or their designee, including the Hearing Examiner.
2. **“Affected tenant”** means a business located within a required public notice area which conducts business or maintains open hours during the time period in which a noise variance is sought. For example, businesses closed during the night are not affected tenants when a nighttime noise variance is sought. “Affected tenants” refers to business tenants only and not residential tenants.
3. **“Audio equipment”** means compact disc players, radios, stereo systems, televisions, video cassette recorders, mp3 players and other such devices.
4. **“Commercial music”** means music originating from or in connection with the operation of any commercial establishment or enterprise.

Notice shall be provided between ten and thirty days of the onset of construction activity and shall enumerate the anticipated construction schedule for the length of the project. An affidavit of distribution shall be provided to the City.

10. Sounds created by existing or new electrical substations and existing or new stationary equipment used in the conveyance of water, waste water and natural gas by a utility are exempt from the nighttime reduction of TMC Section 8.22.050(B) only.

B. Nothing in these exemptions is intended to preclude the administrator from requiring installation of the best available noise abatement technology consistent with economic feasibility. The establishment of such requirement shall be subject to the provisions of RCW 34.05.

(Ord. 2293 §11, 2010)

8.22.110 Sounds Exempt During Daytime Hours

(Ord. 2293 §12, 2010)

8.22.120 Variances

A. Any person who owns or operates a sound-producing source may apply for a variance.

B. Application types are based on the number of days/nights the sound source will exceed the maximum permissible sound levels as shown in the following table:

<i>Number of days/nights maximum permissible sound level may be exceeded within a 12-month period</i>	<i>Variance Permit Type</i>	<i>Notice of Application Requirements</i>	<i>Public Hearing Requirements</i>
<i>30 days or less</i>	<i>Type 1 Administrative Variance</i>	<i>No notice ^(2,3)</i>	<i>No Hearing</i>
<i>31-60 days</i>	<i>Type 2 Administrative Variance</i>	<i>Mailed notice ^(1,2)</i>	<i>No Hearing</i>
<i>More than 60 days</i>	<i>Type 3 Variance</i>	<i>Mailed notice ^(1,2)</i>	<i>Public Hearing</i>

(1) Mailed notice shall be provided per TMC Section 18.104.120 with the exception that tenants that are not affected tenants per TMC Section 8.22.020 are not required to be sent notice.

(2) The administrator shall have the discretion in unusual circumstances (i.e., unusual type or intensity of noise or length of request) to require (additional) public notification procedures, such as causing notice to be published on the City’s website, mailed notice provided to a wider geographic area, and/or notice posted at the site.

(3) In the case of residential parties or other noise generating events within a residential area and prior to granting any variance, the applicant shall provide written notice to all residents and businesses within 500 feet of where the party or project is being held. When the 500 foot radius includes multi-family complexes, all residents of the complex shall be notified. Written notice shall be provided between 10 and 30 days of the onset of activity and shall enumerate the anticipated party hours or work schedule for the length of the project. An affidavit of distribution shall be provided to the City.

C. Variance types, procedures and appeals are pursuant to Title 18 of the Tukwila Municipal Code.

D. Applications for a variance to exceed the maximum permissible sound levels shall supply information, including but not limited to:

1. The nature, source, intensity and location of the sound;
2. The hours during the day and/or night the noise will occur;

3. The number of days and/or nights the noise will occur;
4. The ambient sound level during the time of day or night for which the variance is being sought;
5. The time period for which the variance is requested;
6. The reason for which the noise violation cannot be avoided;
7. Mitigating conditions the applicant will implement to minimize the sound level violations;
8. The name, address and means of contacting a responsible party during the hours of operation for which the variance is requested; and
9. Any additional information or studies regarding any aspect of the requested variance that is deemed necessary to complete the review of the variance request.

E. No variance in the provisions or requirements of this chapter shall be authorized by the administrator unless the administrator finds that all of the following facts and conditions exist:

1. There are exceptional or extraordinary circumstances or conditions applying to the appellant's property or as to the intended use thereof that do not apply generally to other properties in the same noise control district;
2. Such variance is necessary for the preservation and enjoyment of a substantial personal or property right of the appellant, such right being possessed by the owners of other properties in the same noise control district;
3. The authorization of such variance does not endanger public health or safety of named persons in the same or adjacent noise control districts;
4. The granting of such variance will not adversely affect the general policy and purpose of this act as set forth in TMC Section 8.22.010.

F. In authorizing a variance, the administrator may attach thereto such conditions regarding noise level, duration, type and other considerations as the administrator may deem necessary to carry out the policy and purpose of this chapter. The variance permit shall enumerate the conditions of the variance, including but not limited to:

1. Specific dates and times for which the variance is valid;
2. Additional mitigation measures or public notice requirements as determined by the administrator.
3. If the notice of application is for a sound generating event that does not start within thirty days of the notice, the applicant shall provide written notice to all residents within 500 feet of the project including all residents of multi-family complexes. Written notice shall be provided between ten and thirty days of the onset of activity and shall enumerate the anticipated work schedule for the length of the project. An affidavit of distribution shall be provided to the City.

G. In establishing conditions on granting a variance, the administrator shall consider:

1. Whether the public health, safety or welfare is impacted;
 2. The social and economic value of the activity for which the variance is sought;
 3. The ability of the applicant to apply best practical noise control measures;
 4. Physical conditions that create a significant financial hardship in complying with the provisions of this chapter; and
 5. Any comments received during public notice or public meeting, if provided, and comment or lack of comment received during similar noise generating events in the past.
- H. The variance permit may be revoked by the administrator and the issuance of future variance permits withheld, if there is:
1. Violation of one or more conditions of the variance permit;
 2. Material misrepresentation of fact in the variance application; or
 3. Material change in any of the circumstances relied upon by the administrator in granting the variance.

(Ord. 2676 §1, 2022; Ord. 2293 §13, 2010)

8.22.130 Extension

A. Variances granted pursuant to this chapter may be extended on terms and conditions applicable to the initial granting of the variance.

B. If granted for a shorter timeframe than otherwise allowed under the permit type, the holder of a variance permit may request one or more extensions.

C. Prior to granting an extension, the administrator shall consider any comment or lack of comment received during the initial variance period.

D. The administrator may request any information deemed necessary to the consideration of the extension, including but not limited to noise monitoring reports and an updated assessment demonstrating there are no practical means known or available for the adequate abatement or control of the noise involved.

E. Any request for an extension shall be submitted in writing and received by the administrator at least 15 days prior to expiration of a Type 1 or 2 variance and at least 30 days prior to the expiration of a Type 3 variance.

F. A request for an extension does not require re-noticing or a public hearing, but may be required by the administrator.

(Ord. 2293 §14, 2010)

8.22.140 Fees for Variances

1. First civil penalty, \$250.00.

2. Second civil penalty, \$500.00.

3. Third and subsequent violations shall be misdemeanors, the maximum penalty for which shall be 90 days in jail or a fine of \$1,000.00 or both fine and imprisonment.

4. At such time that two civil penalties have been assessed within a one-year period, City-issued permits and/or licenses for the site or the site activity may be suspended or revoked until the condition is corrected.

5. Each day that a property or person is not in compliance with the provisions of this chapter may constitute a separate violation of this chapter.

B. The administrator may waive or reduce monetary penalties if findings are made demonstrating that the noise violation has been remedied.

C. The owners, agents, contract buyers, tenants or lessees of all residential dwellings, commercial establishments, and or real estate upon which a violation of this chapter is found shall be jointly and severally responsible for compliance with this chapter and jointly and severally liable for any damages or costs incurred or imposed under this chapter.

D. The penalties set forth in this chapter are not exclusive. The City may avail itself of any other remedies provided by law.

(Ord. 2549 §4, 2017; Ord. 2293 §16, 2010)

8.22.160 Liability

Nothing contained in this chapter is intended to be nor shall be construed to create or form the basis for any liability on the part of the City, its officers, employees or agents for any injury or damage resulting from the failure of anyone to comply with the provisions of this chapter, or by reason or in consequence of any inspection, notice, order, certificate, permission or approval authorized or issued or done in connection with the implementation or enforcement pursuant to this chapter, or by reason of any action or inaction on the part of the City related in any manner to the enforcement of this chapter by its officers, employees or agents.

CHAPTER 8.23
TRESPASS WARNINGS
ON CITY PROPERTY

Sections:

- 8.23.010 Purpose, Authority, and Applicability
- 8.23.020 Definitions
- 8.23.030 Trespass Warnings on City Property

8.23.010 Purpose, Authority, and Applicability

A. The purpose of this chapter is to adopt a legally sound process for being able to exclude from City owned or operated property individuals whose behavior is dangerous, unsafe, illegal, or unreasonably disruptive to other users. It is further the purpose of this chapter to provide for a specific method to allow for the issuance of trespass warnings to such individuals, including placing limitations on trespass warnings and providing procedures for such individuals to promptly appeal the issuance of trespass warnings in order to protect their right to engage in legitimate activities protected by the state and federal constitutions.

B. This chapter is enacted as an exercise of the City's authority to protect and preserve the public health, safety and welfare.

C. This chapter shall apply to all City property in the City of Tukwila, which for the purposes of this chapter shall include, but not be limited to: City buildings and other facilities, outdoor areas, parks, unimproved property, open spaces, property that is under lease to or otherwise operated and/or controlled by the City, and property that City owns in common with another property owner. This chapter shall not apply to public streets and sidewalks. Enforcement action shall only be taken for conduct violating rules adopted by the City for the location in which the conduct occurs, including any location covered by rules of conduct incorporated into any relevant City rule. Provided, that officers of the Tukwila Police Department may take enforcement action consistent with TMC Section 8.23.030.A, based on violations of other City codes, state statutes, and government rules or regulations.

(Ord. 2542 §2, 2017)

8.23.020 Definitions

A. Behavior that is "dangerous" is behavior that creates an imminent and unreasonable risk of injury or harm to either persons or property of another or the actor.

B. Behavior that is "illegal" is behavior that is prohibited by the laws of the United States, Washington State, King County, or the City of Tukwila and that includes, but is not limited to, any of the following types of behavior:

- 1. Threatening another person by communicating either directly or indirectly to another person the intent to cause bodily injury in the future to the person threatened or to any other person; or
- 2. Selling or using alcohol or drugs; or

3. Threatening or harassing behavior (e.g., fighting or threatening to fight, brandishing a weapon, stalking, verbally threatening to harm others or their property); or

4. Assaulting staff or other patrons; or

5. Sexual misconduct or harassment (e.g., indecent exposure, offensive touching, sexual acts).

C. Behavior that is "unreasonably disruptive to other users" is behavior that is not constitutionally protected and that, in consideration of the nature, scope, use and purpose of the property in question, unreasonably interferes with others' use and enjoyment of said property. Examples of behavior that may unreasonably interfere with others' use and enjoyment of City property include, but are not limited to, any of the following:

1. Use of unreasonably hostile or aggressive language or gestures; or

2. Unreasonably loud vocal expression or unreasonably boisterous physical behavior; or

3. Using electronic or other communication devices in a manner that is unreasonably disruptive to others; or

4. Unreasonably interfering with the free passage of staff or patrons in or on City property; or

5. Behavior that is unreasonably inconsistent with the use for which the City property was designed and intended to be used (e.g., bathing, shaving, or washing clothes in a public bathroom or skateboarding in a public parking area or plaza).

D. Any constitutionally protected action or speech is excluded from the prohibited behavior listed in this section.

(Ord. 2542 §3, 2017)

8.23.030 Trespass Warnings on City Property

A. Officers of the Tukwila Police Department shall be empowered to issue a trespass warning to any individual who the officer has probable cause to believe has violated any City ordinance, state statute, or government rule or regulation relating to or prohibiting conduct that is dangerous, illegal, or unreasonably disruptive to other users of City property, as defined in TMC Section 8.23.020, while such individual is on or within any City property, as more specifically set forth in TMC Section 8.23.010.C.

B. Trespass warnings may be delivered in person to the offender or by first class mail to the offender at the offender's last known address.

C. The offender need not be charged, tried, or convicted of any crime or infraction in order for the trespass warning to be issued or be effective. The warning may be based upon observation by a police officer or a City or other government employee or may be based upon a civilian report that would ordinarily be relied upon by police officers in the determination of probable cause.

D. If the offender:

1. Has not been excluded from City property by a trespass warning issued within one year prior to the violation, then the warning may exclude the offender for a period not exceeding 7 days from the date of the warning.

2. Has been the subject of only one prior trespass warning issued within one year prior to the current violation, then

the warning may exclude the offender for a period of more than 7 days but not more than 90 days from the date of the current warning.

3. Has been the subject of two or more prior trespass warnings issued within one year prior to the current violation, then the warning may exclude the offender for a period of more than 90 days but not more than one year from the date of the current warning.

4. Has been excluded from City property by a trespass warning, and a published rule or regulation applicable to such property establishes a different period of time for an offender to be excluded, the time period under such rule or regulation shall apply notwithstanding the provisions of TMC Section 8.23.030.D., subsections 1, 2 or 3.

E. The trespass warning shall be in writing, shall contain the date of issuance, shall describe the behavior that is the basis for the trespass warning, shall specify the length and place(s) of exclusion, shall be signed by the issuing police officer, and shall state the consequences for failure to comply. A trespass warning for a place or places shall not prohibit access to another place or places that is unrelated to or not a part of the place where the conduct that is the subject of the trespass warning occurred.

F. Administrative Appeal.

1. A person receiving a trespass warning for an expulsion of 7 days, or longer, may file an appeal to have the trespass warning rescinded or the duration of the expulsion shortened.

2. The appeal must be in writing, provide the appellant's current address, and shall be accompanied by a copy of the trespass warning that is being appealed.

3. The written notice of appeal must be sent to the City Administrator and postmarked no later than 7 calendar days after the issuance of the trespass warning.

4. The trespass warning shall remain in effect during the pendency of any administrative or judicial proceeding.

G. Hearing on Appeal.

1. The City Administrator or his or her designee (hereinafter "Hearing Official") shall:

a. Notify the appellant of the hearing date, time, and location;

b. Conduct a hearing within 30 calendar days of receipt of the notice of appeal; and

c. Issue a ruling upholding, rescinding, or shortening the duration of the expulsion set forth in the trespass warning no later than 5 business days after the hearing.

2. The Hearing Official may consider a sworn report or a declaration under penalty of perjury as authorized by RCW 9A.72.085, written by the officer who issued the trespass warning or by the person upon whose observation the trespass warning was based, without further evidentiary foundation, as prima facie evidence that the offender committed the violation as described. This evidence creates a rebuttable presumption that the violation occurred and the burden thereafter rests with the appellant to overcome the presumption. Such sworn reports or declarations

may be considered either in addition to or in lieu of the live testimony of the officer who issued the trespass warning or by the person upon whose observation the trespass warning was based.

3. The Hearing Official shall consider the trespass warning and may consider any written or oral sworn testimony of the appellant or witnesses, as well as pictorial or demonstrative evidence offered by the appellant that the Hearing Official considers relevant and trustworthy. The Hearing Official may consider information that would not be admissible under the evidence rules in a court of law.

4. The Hearing Official may issue subpoenas for the attendance of witnesses and the production of documents, and shall administer individual oaths to witnesses. The Hearing Official shall not issue a subpoena for the attendance of a witness at the request of the appellant unless the request is accompanied by the fee required by RCW 5.56.010 for a witness in district court. The appellant shall be responsible for serving any subpoena issued at the appellant's request.

5. If, after the hearing, the Hearing Official is persuaded on a "more probable than not" basis that the violation did occur, the trespass warning shall be upheld. For good cause, or upon a satisfactory showing by appellant that he or she understands his or her violation and will not repeat the violation, the Hearing Official may shorten the duration of the expulsion set forth in the trespass warning. If, however, the violation is not proved on a "more probable than not" basis, then the Hearing Official shall rescind the expulsion. If the Hearing Official rescinds a trespass warning, the trespass warning shall not be considered a prior expulsion for purposes of this chapter. For purposes of this section, "good cause" to rescind, shorten or modify a trespass warning shall be found where:

a. The alleged offender demonstrates to the satisfaction of the Hearing Official or his/her designee that his or her conduct was intended to be expressive conduct protected by the First Amendment; or

b. The offender was not given prior warning that the conduct in question was subject to a trespass warning; or

c. The trespass warning was based solely upon the statement of a third party, was not observed personally by the issuing officer or a city or other government employee, would not ordinarily be relied upon by police officers in the determination of probable cause, and the alleged offender claims that he or she did not commit the action for which he or she was warned; or

d. In the judgment of the Hearing Official, the circumstances warrant a modification or rescission of the trespass warning. The Hearing Official shall rescind the trespass warning if, considering all the circumstances, he or she finds that reasonable minds could differ on the question of whether the conduct in question was unreasonably disruptive to others on the same City property at that time.

6. The decision of the Hearing Official is final.

7. No determination of facts made by the Hearing Official under this section shall have any collateral estoppel effect on a subsequent criminal prosecution or civil proceeding and shall

not preclude litigation of those same facts in a subsequent criminal prosecution or civil proceeding.

8. In no event will the Hearing Official be a person who is subordinate to the person who issued the trespass warning.

H. If the Hearing Official rescinds an exclusion, for good cause or because the violation was not proved, the exclusion shall not be considered a prior trespass warning for purposes of TMC Section 8.23.030.D.

I. The trespass warning shall remain in effect during the pendency of any administrative or judicial proceeding.

J. No determination of facts made by the Hearing Official shall have any collateral estoppel effect on a subsequent criminal prosecution or civil proceeding and shall not preclude litigation of those same facts in a subsequent criminal prosecution or civil proceeding.

K. This section shall be enforced so as to emphasize voluntary compliance with laws and City property rules and so that inadvertent minor violations that would fall under TMC Section 8.23.030 can be corrected without resort to a trespass warning.

L. Any person, who is found on city or other publicly owned property in violation of a trespass warning issued in accordance with this chapter for a period longer than 7 days and who accordingly has had the right to a hearing regarding the trespass warning may be arrested for trespassing and is guilty of a misdemeanor, which shall be punishable by a fine of up to \$1,000 and/or imprisonment for a term not to exceed 90 days.

M. The Chief of Police or his/her designee may upon request authorize an individual who has received a trespass warning in accordance with this chapter to enter City property to exercise his or her First Amendment rights or to conduct government business, if there is no other reasonable alternative location to exercise such rights or conduct such business. Such authorization must be in writing and specify the duration of the authorization and any conditions thereof.

N. The decision of the Hearing Official will be the City's final decision.

2. A junk vehicle or part thereof that is stored or parked in a lawful manner on private property, in connection with the business of a licensed dismantler or licensed vehicle dealer, and is fenced pursuant to the Revised Code of Washington Title 46, Chapter 80, Section 130.

(Ord. 2045 §1 (part), 2004)

8.24.030 Violation Notification Process

A. The Code Enforcement Officer is authorized to issue and serve a Notice of Violation pursuant to TMC Section 8.45.070 upon reasonable belief that a violation of one or more provisions of TMC Chapter 8.24 has occurred.

B. The Notice of Violation shall be issued to the property owner of record upon which land, as shown on the last equalized assessment roll, a vehicle deemed to be in violation of TMC Chapter 8.24 is located; and to the last registered and legal owner of record of such vehicle, unless the vehicle is in such condition or location that identification numbers are not available or accessible by the Code Enforcement Officer to determine ownership.

C. The Notice of Violation shall be delivered by mailing a copy to such person, at his/her last known address as determined by the Code Enforcement Officer.

assess all costs of administration and removal against the owner of the property upon which the vehicle is located or otherwise attempt to collect such costs from the owner of the vehicle; and

7. A statement that the owner of the land upon which the vehicle is located may provide a written statement, in time for consideration at the hearing, and deny responsibility for the presence of the vehicle on the land with his or her reasons for the denial, as provided in TMC Section 8.24.040.

(Ord. 2549 §6, 2017; Ord. 2045 §1 (part), 2004)

8.24.040 Hearing

A hearing on a Notice of Violation shall be held before the Hearing Examiner in accordance with the provisions set forth in TMC Section 8.45.110, and the Hearing Examiner shall have the same powers as set forth therein. The time limit for an appeal of a Notice of Violation is 10 days as set forth in TMC Section 8.45.110.A. If a request for a hearing is received, a notice giving the time, location and date of the hearing shall be mailed, by certified mail with a five-day return receipt requested, to the owner of the land as shown on the last equalized assessment roll, and to the vehicle's last registered and legal owner of record, unless the vehicle is in such condition that identification numbers are not available to determine ownership. The owner of the land on which the vehicle is located may appear in person at the hearing or present a written statement in time for consideration at the hearing, and deny responsibility for the presence of the vehicle on the land, with his or her reasons for the denial. If it is determined at the hearing that the vehicle was placed on the land without the consent of the landowner and that he/she has not subsequently given consent without protest in the presence of the vehicle, then the Hearing Examiner shall not assess costs of administration or removal of the vehicle against the property upon which the vehicle is located or otherwise attempt to collect the cost from the property owner.

(Ord. 2549 §8, 2017; Ord. 2045 §1 (part), 2004)

8.24.060 Monetary Penalty

The monetary penalty for violation of the Notice of Violation issued pursuant to TMC Chapter 8.24 shall be assessed in the amounts set forth in TMC Chapter 8.45. Payment of a monetary penalty pursuant to TMC Chapter 8.24 does not relieve the person(s) to whom the Notice of Violation was issued of the duty to correct the violation or preclude the City from taking action to abate the situation as provided herein. The monetary penalty constitutes an obligation of the person(s) to whom the Notice of Violation is issued.

(Ord 2549 §9, 2017; Ord. 2045 §1 (part), 2004)

8.24.070 Recovery of Costs and Penalties–Liens

A. After a Notice of Violation or Notice of Repeated Violation has been served pursuant to TMC 8.24.030C, a hearing shall be held if requested by the violator or pursuant to TMC 8.24.080. If the violation is sustained during the hearing, or where no hearing is requested, or the violator fails to appear at the hearing, a junk vehicle shall be removed by a registered disposer pursuant to TMC 9.32.100, and disposed of at the request of the Code Enforcement Officer. The Code Enforcement Officer shall provide notice to the Washington State Patrol and the Washington State Department of Licensing if the vehicle has been disposed of.

B. After a Civil Infraction Citation has been served pursuant to TMC 8.24.030C, a hearing shall be held before the Municipal Court. If the violation is sustained during the hearing, or the violator fails to appear at the hearing, a fine shall be imposed pursuant to TMC 8.24.060.

C. Costs of removal may be assessed against the registered owner of the vehicle if the identity of the owner can be determined, unless the owner – in the transfer of ownership of the vehicle – has complied with RCW 46.12.101, or the costs may be assessed against the owner of the property on which the vehicle is stored, subject to TMC 8.24.070E.

D. The impounding of a vehicle shall not preclude charging the violator with any violation of the law through which such vehicle was impounded.

E. The City is authorized to take action to collect the monetary penalty, including filing civil actions or turning the matter over to collection, in which case costs incurred by the City as a result of the collection process shall be assessed to the violator in addition to the monetary penalty. Any such assessment shall be offset by the amount received by the City for sale of the junk vehicle or improperly stored vehicle, if any.

F. E. The decision of the Hearing Examiner shall be final and conclusive unless appealed. In order to appeal the decision of the Hearing Examiner, a person with standing to appeal must file a land use petition, as provided in RCW 36.70C, within 21 days of the issuance of the Hearing Examiner’s decision. The cost for transcription of all records ordered certified by the Superior Court for such review shall be borne by the appellant.

(Ord. 2352 §1 (part), 2011)

8.27.080 Penalties

A. Violations of the Tukwila Municipal Code.

1. Civil Infraction. Any person in charge who violates or fails to comply with the provision of this chapter may be issued a civil infraction pursuant to TMC Section 8.27.030I. Each civil infraction shall carry with it a monetary penalty of \$100.00 for the first violation, \$175.00 for a second violation of the same nature or a continuing violation, and \$250.00 for a third or subsequent violation of the same nature or a continuing violation.

2. Violation Notice and Order.

a. Any person in charge who violates or fails to comply with the provision of this chapter may, in the alternative, be issued a Violation Notice and Order that shall carry with it a cumulative monetary penalty of \$500.00 per day from the date set for compliance until compliance with the Violation Notice and Order is achieved.

b. In addition to any penalty that may be imposed by the City, the persons in charge shall be liable for all damage to public or private property arising from such violation, including the cost of restoring the affected area to its condition prior to the violation.

c. The penalty imposed by this section under a Violation Notice and Order may be collected by civil action brought in the name of the City. The Chief of Police may notify the City Attorney of the name of any person subject to the penalty, and the City Attorney may, with the assistance of the Chief of Police, take appropriate action to collect the penalty, including but not limited to attachment of a lien to the property.

d. The Chief of Police shall have the discretion to impose penalties in an amount lower than those set forth above.

3. An owner who fails to comply with TMC Section 8.27.040 is subject to a civil penalty of up to \$25,000.

B. **Additional Relief.** The Chief of Police may seek legal or equitable relief to enjoin any acts or practices and abate any condition that constitutes or will constitute a violation of the

Tukwila Municipal Code. The remedies provided in TMC Chapter 8.27 are cumulative and shall be in addition to any other remedy provided by law.

C. **Continued Duty to Correct.** Payment of a monetary penalty pursuant to TMC Chapter 8.27 does not relieve the person to whom the infraction or Violation Notice and Order was issued of the duty to correct the violation.

B. **Summary Abatement.** Whenever any nuisance or code violation causes a condition, the continued existence of which constitutes an immediate threat to the public health, safety or welfare or to the environment, the City may summarily and without prior notice abate the condition. Notice of such abatement, including the reason for it, shall be given to the person(s) in charge as soon as reasonably possible after the abatement. No right of action shall lie against the City or its agents, officers, or employees for actions reasonably taken to prevent or cure any such immediate threats, but neither shall the City be entitled to recover any costs incurred for summary abatement, prior to the time that actual notice of the same is provided to the person(s) in charge.

C. **Authorized Action by the City.** Using any lawful means, the City may enter upon the subject property and may remove or correct the condition that is subject to abatement. Prior to or during such abatement, the City may seek such judicial process as it deems necessary to effect the removal or correction of such condition, including but not limited to obtaining an injunction or warrant of abatement.

D. **Interference.** Any person who knowingly obstructs, impedes, or interferes with the City or its agents, or with the person responsible for the violation, in the performance of duties imposed by TMC Chapter 8.27, shall be guilty of a misdemeanor punishable by imprisonment not exceeding 90 days and a fine not exceeding \$1,000.00.

(Ord. 2352 §1 (part), 2011)

8.27.110 Burden of Proof

A. In an action against the person(s) in charge to abate a chronic nuisance property or to recover penalties authorized by this chapter, the City shall have the burden of proof to show by a preponderance of the evidence that the property is a chronic nuisance property pursuant to this chapter.

B. In an action against an owner to recover penalties authorized by TMC Section 8.27.070, the City shall have the additional burden to prove by a preponderance of the evidence that the owner failed to comply with TMC Section 8.27.040. Copies of police incident reports and reports of other City departments documenting nuisance activities shall be admissible in such actions. Additionally, evidence of a property's general reputation and the reputation of persons residing in or frequenting the property shall be admissible in such actions.

(Ord. 2352 §1 (part), 2011)

If, as part of its order abating a chronic nuisance property, the court orders the person in charge to cease renting or leasing a property, the court may order the person in charge to pay relocation in the amounts authorized by TMC Chapter 8.46 to any tenant who (1) must relocate because of the order of abatement, and (2) the court finds not to have caused or participated in nuisance activities at the property. The Code Enforcement Officer may issue a written Request for Compliance in any manner reasonably sufficient to give notice to the person(s)

responsible, such as by mail, e-mail or posting the Request on the subject property. The Code Enforcement Officer may, in his or her discretion, issue multiple Requests for Compliance in an attempt to resolve code violations prior to issuing a civil infraction, Notice of Violation and Order or taking other enforcement action.

D. Nothing in this section prohibits the Code Enforcement Officer from immediately issuing a civil infraction, Notice of Violation and Order or taking other enforcement action without first issuing a Request for Compliance, when the circumstances warrant more expeditious correction or when the person(s) responsible is a repeat offender.

(Ord. 2547 §10, 2017)

8.45.060 Civil Infraction

For violations deemed civil infractions, if the Code Enforcement Officer has probable cause to believe that the applicable standards or requirements of the Tukwila Municipal Code have been violated, the Code Enforcement Officer may issue a civil infraction in accordance with Chapter 7.80 RCW, which is incorporated herein by this reference, upon the person(s) responsible for the condition.

(Ord. 2547 §11, 2017)

The Notice of Violation and Order shall contain the following information:

1. A citation to the standard, code provision or requirement violated, along with a description of the specific violation present;
2. The corrective action, if any, that is necessary to comply with the standard, code provision or requirement;

B. **SERVICE OF A NOTICE OF VIOLATION AND ORDER:** A Notice of Violation and Order shall be served on the person(s) responsible for the condition by personal service or certified mail with return receipt requested, addressed to the last known address of such person, whichever method the Code Enforcement Officer determines will most likely result in actual service of the Notice of Violation and Order. If, after a reasonable search and reasonable efforts are made to obtain service, the whereabouts of the person(s) is unknown or service cannot be accomplished and the Code Enforcement Officer makes an affidavit to that effect, then service of the notice upon such person(s) may be made by:

1. Publishing the notice once each week for two consecutive weeks in the City’s official newspaper; and
2. Mailing a copy of the notice to each person named on the Notice of Violation and Order by first class mail to the last

known address if known or, if unknown, to the address of the property involved in the proceedings; and

3. A copy of the notice shall be posted at a conspicuous place on the property, unless posting the notice is not physically possible.

C. *AMENDMENT*: A Notice of Violation and Order may be amended at any time in order to:

2. Cite additional authority for a stated violation.

D. *ORDER BECOMES FINAL UNLESS APPEALED*: Unless an appeal is filed with the Code Enforcement Officer for hearing before the Hearing Examiner in accordance with TMC Section 8.45.110, the Notice of Violation and Order shall become the final administrative order of the Code Enforcement Officer.

E. *RECORDING*: A copy of the notice may be filed and recorded with the King County Recorder.

(Ord. 2547 §12, 2017)

8.45.080 Repeat Violations

B. *PROCEDURE*: The Code Enforcement Officer may immediately issue a Notice of Violation and Order when a repeat violation occurs.

C. *PENALTY*: For repeat violations that occur within two years of a previous violation, the Code Enforcement Officer or Hearing Examiner may impose the following penalties:

3. For the third repeat violation, the penalty may equal up to \$3,000 per day;
4. For the fourth repeat violation, the penalty may equal up to \$4,000 per day; and
5. For each additional repeat violation that may occur beyond the fourth repeat violation, the penalty may equal up to \$5,000 per day.

(Ord. 2547 §13, 2017)

8.45.090 Stop Work Orders

Whenever a continuing violation of this Code will materially impair the Code Enforcement Officer’s ability to secure compliance with this Code, or when the continuing violation threatens the health or safety of the public, the Code Enforcement Officer may issue a Stop Work Order specifying the violation and prohibiting any work or other activity at the site. Any violation of a Stop Work Order may be prosecuted with a Notice of Violation and Order, and is hereby declared to be a public nuisance. The Code Enforcement Officer is authorized to enjoin or abate such public nuisance summarily by any legal or equitable means as may be available. The City shall assess the cost of abatement, including any and all legal fees incurred by the City attendant thereto, and

any fine levied jointly and severally against the responsible parties, the subject property or both. The costs for the injunction or abatement, including any and all penalties and legal fees incurred by the City, shall be recovered by the City from the person(s) responsible in the manner provided by law.

(Ord. 2547 §14, 2017)

8.45.100 Abatement

Any condition or violation described in a Notice of Violation and Order that is not corrected within the time specified therein is hereby declared to be a public nuisance. The Code Enforcement Officer is authorized to enjoin or abate such nuisance summarily by any legal or equitable means as may be available. The City shall assess the cost of abatement, including any and all legal fees incurred by the City attendant thereto, and any fine levied jointly and severally against the responsible parties, the subject property or both. The costs for the injunction or abatement, including any and all penalties and legal fees incurred by the City, shall be recovered by the City from the person(s) responsible, in the manner provided by law.

(Ord. 2547 §15, 2017)

8.45.110 Appeal to Hearing Examiner

A. The person(s) responsible named on a Notice of Violation and Order issued by the Code Enforcement Officer, pursuant to TMC Section 8.45.070, may appeal the Notice by requesting such appeal within 10 calendar days after being served with the Notice pursuant to TMC Section 8.45.070. When the last day of the period so computed is a Saturday, Sunday, or a Federal or City holiday, the period shall run until 4:30 PM on the next business day. The request shall be in writing and include the applicable appeal fee as specified in the City’s fee schedule adopted by resolution of the City Council. Upon receipt of the appeal request, the Code Enforcement Officer shall schedule an appeal hearing before the Hearing Examiner. D. The decision of the Hearing Examiner shall be final and conclusive unless appealed. An appeal of the decision of the Hearing Examiner must be filed with superior court within 21

calendar days from the date the Hearing Examiner's decision was mailed to the person(s) responsible to whom the Notice of Violation and Order was directed, or is thereafter barred. The cost for transcription of all records ordered certified by the superior court for such review shall be borne by the appellant.

(Ord. 2547 §16, 2017)

8.45.120 Penalties

A. VIOLATIONS OF THE TUKWILA MUNICIPAL CODE:

1. *Civil Infraction:* Each civil infraction shall carry with it a monetary penalty of \$100.00 for the first violation, \$175.00 for a second violation of the same nature or a continuing violation, and \$250.00 for a third or subsequent violation of the same nature or a continuing violation.

2. *Notice of Violation and Order:*

a. A Notice of Violation and Order shall carry with it a cumulative monetary penalty of \$250.00 per day for each violation from the compliance date until compliance with the Notice of Violation and Order is achieved.

b. The Code Enforcement Officer shall have the discretion to impose penalties in an amount lower than those set forth herein, taking into account the mitigating factors described below:

- (1) Was the responsible party willful or knowing of the violation?
- (2) Was the responsible party unresponsive in correcting the violation?
- (3) Was there improper operation or maintenance?
- (4) Does the violation provide economic benefit for noncompliance?
- (5) Does the discharge result in adverse economic impact to others?
- (6) Will cleanup activities be able to fully mitigate or remediate the impacts?
- (7) Is there a history of violations?
- (8) Were there unforeseeable circumstances that precluded compliance?
- (9) Did the responsible party make a good-faith effort to comply?

3. *Liability for Damages:* In addition to any penalty that may be imposed by the City, any person violating or failing to comply with any of the provisions of the Tukwila Municipal Code shall be liable for all damage to public or private property arising from such violation, including the cost of restoring the affected area to its condition prior to the violation.

4. Responsibility for violations of the codes enforced under this chapter and the penalties imposed in this section are joint and several, and the City is not prohibited from taking action against a party where other persons may also be potentially responsible for a violation, nor is the City required to take action against all persons potentially responsible for a violation.

5. *Notice of Assessment:* Within 30 days of the compliance date, either set by a Notice of Violation and Order or an Order of the Hearing Examiner, whichever is later, the Code Enforcement Officer shall issue a Notice of Assessment identifying the penalties imposed under this chapter for any remaining uncorrected violations, as well as any other costs and/or damages assessed against the person(s) responsible, pursuant to this chapter. Notices of Assessment shall be served in the same manner as service of a Notice of Violation and Order.

a. **Assessment Appeal:** A person receiving a Notice of Assessment may appeal the fines stated therein within 10 calendar days after the date the Notice is served. When the last day of the period so computed is a Saturday, Sunday, or a Federal or City holiday, the period shall run until 4:30 PM on the next business day. The request shall be in writing and include the applicable appeal fee as identified in the City's fee schedule adopted by resolution of the City Council. Upon receipt of the appeal request, the Code Enforcement Officer shall schedule an appeal hearing before the Hearing Examiner. Notice of the hearing shall be sent to the appellant and/or the person(s) named on the Notice of Assessment under the same manner as the procedures described in TMC Section 8.45.070B, or as may be otherwise requested by the appealing party.

b. **Appeal Hearing:** At or after the appeal hearing, the Hearing Examiner may sustain the assessment, withdraw the assessment if the violation(s) have been corrected or reduce the assessment amount. The Hearing Examiner shall issue a written decision within 14 days of the date of the completion of the review, and shall cause the same to be sent to the person(s) named on the Notice of Assessment under the same procedures described in TMC Section 8.45.070B, or as otherwise directed by the appealing party.

c. The decision of the Hearing Examiner shall be final and conclusive unless appealed. Any judicial review of the Hearing Examiner's order shall be brought in superior court within 21 days of issuance of the Hearing Examiner's decision.

d. **Subsequent Notices of Assessment:** The Code Enforcement Officer shall issue additional notices of assessment in 30-day increments until a violation is corrected. Each subsequent notice of assessment may be appealed in the same manner as described in TMC Section 8.45.110; provided, however, that any such appeal shall be limited to only those penalties incurred since the issuance of the preceding Notice of Assessment.

6. The penalty imposed by this section under a Notice of Violation and Order may be collected by civil action brought in the name of the City. The Code Enforcement Officer may notify the City Attorney of the name of any person subject to the penalty, and the City Attorney may, with the assistance of the Code Enforcement Officer, take appropriate action to collect the penalty, including but not limited to attachment of a lien to the property.

B. *ADDITIONAL RELIEF*: The Code Enforcement Officer may seek legal or equitable relief to enjoin any acts or practices and abate any condition which constitutes or will constitute a violation of the Tukwila Municipal Code. The remedies provided in TMC Chapter 8.45 are cumulative and shall be in addition to any other remedy provided by law.

C. *CONTINUED DUTY TO CORRECT*. Payment of a monetary penalty pursuant to TMC Chapter 8.45 does not relieve the person to whom the Infraction or Notice of Violation and Order was issued of the duty to correct the violation.

(Ord. 2547 §17, 2017)

8.45.130 Abatement by the City

A. *ABATEMENT*. The City may abate nuisance or code violations when:

1. The terms of the Voluntary Correction and Limited Right of Entry Agreement have not been met; or

2. A Notice of Violation and Order has been issued and the required correction has not been completed by the date specified in the Notice of Violation and Order; or

3. A written decision issued by the City's Hearing Examiner has not been complied with by the date specified in the written decision; or

4. The nuisances or code violations are subject to summary abatement as provided for in TMC Section 8.45.130B.

B. *SUMMARY ABATEMENT*. Whenever any nuisance or code violation causes a condition, the continued existence of which constitutes an immediate threat to the public health, safety or welfare or to the environment, the City may summarily and without prior notice abate the condition. Notice of such abatement, including the reason for it, shall be given to the person(s) responsible for the violation as soon as reasonably possible after the abatement. No right of action shall lie against the City or its agents, officers, or employees for actions reasonably taken to prevent or cure any such immediate threats, but neither shall the City be entitled to recover any costs incurred for summary abatement, prior to the time that actual notice of same is provided to the person(s) responsible for the condition of land and buildings.

C. *AUTHORIZED ACTION BY THE CITY*. Using any lawful means, the City may enter upon the subject property and may remove or correct the condition that is subject to abatement. Prior to or during such abatement, the City may seek such judicial process as it deems necessary to effect the removal or correction of such condition, including but not limited to obtaining an injunction or warrant of abatement.

D. *INTERFERENCE*. Any person who knowingly obstructs, impedes, or interferes with the City or its agents, or with the person responsible for the violation, in the performance of duties imposed by TMC Chapter 8.45, shall be guilty of a misdemeanor punishable by imprisonment not exceeding 90 days and a fine not exceeding \$1,000.00.

E. *RECOVERY OF COSTS AND EXPENSES*. All costs and expenses incurred by the City during abatement of code violations shall be assessed to the person(s) responsible for the condition, and responsibility for all costs and expenses is joint and several. Such costs and expenses may include, but are not limited to, the following:

1. "Legal expenses," for purposes of TMC Chapter 8.45, shall include but are not limited to the following:

a. Personnel costs, both direct and indirect, including attorney's fees and all costs incurred by the City Attorney's office or its designee to abate nuisances and code violations;

b. Actual and incidental expenses and costs incurred by the City in preparing notices, contracts, court pleadings, and all other necessary documents required to abate nuisances and code violations; and

c. All costs associated with retention and use of expert witness or consultants during the course of abatement.

2. "Abatement expenses," for purposes of TMC Chapter 8.45, shall include but are not limited to the following:

a. Costs incurred by the City for preparation of notices, contracts, and related documents necessary to abate nuisance or code violations;

b. All costs associated with inspection of the property and monitoring of said property consistent with orders of compliance issued by the City's Hearing Examiner or a Court of competent jurisdiction;

c. All costs incurred by the City for hauling, storage, disposal or removal of vegetation, trash, debris, dangerous structures or structures unfit for human habitation pursuant to the International Building Code and/or International Property Maintenance Code, potential vermin habitat or fire hazards, junk vehicles, obstructions to the public right-of-way, and setback obstructions;

d. All costs incurred by law enforcement or related enforcement agencies necessary to assist the City during abatement of nuisance or code violations; and

e. All relocation/assistance costs pursuant to TMC Chapter 8.46.

F. *INTEREST*. All costs incurred by the City during abatement of nuisance and code violations may include interest in amount as prescribed by law.

G. *LIEN – AUTHORIZED*. The City shall have a lien for any monetary penalty imposed, the cost of any abatement proceedings under TMC Chapter 8.45, and all other related costs including attorney and expert witness fees, against the real property on which the monetary penalty was imposed or any of the work of abatement was performed.

8.46.010 Purpose

The purpose of this chapter is to establish, pursuant to RCW 59.18.085, a relocation assistance program for tenants whose dwellings have been condemned by the City.

(Ord. 2122 §1 (part), 2006)

8.46.020 Notification of Relocation Assistance

At the time the City notifies a landlord that a dwelling is condemned or unlawful to occupy due to the existence of conditions that violate applicable codes, statutes, ordinances, or regulations, the City shall also notify both the landlord and the tenant(s) that the tenant(s) may be entitled to relocation assistance from the landlord under RCW 59.18.085.

(Ord. 2122 §1 (part), 2006)

8.46.030 Advancement of Relocation Assistance

If the City determines that the tenant(s) are entitled to relocation assistance, and the landlord has failed to provide the tenant(s) with relocation assistance within seven days of the City notifying the landlord of the condemnation, eviction or displacement order, the City may advance the cost of relocation assistance to the tenant(s). The amount of relocation assistance advanced shall be no more than \$2,000 or three times the monthly rent, whichever is greater.

(Ord. 2122 §1 (part), 2006)

8.46.040 Reimbursement of Relocation Assistance

The landlord shall reimburse the City the relocation assistance advanced by the City to the tenant(s) within 60 days from the date that the City first advanced said funds.

(Ord. 2122 §1 (part), 2006)

8.46.050 Penalty

Failure by the landlord to repay the City for the advanced relocation assistance within 60 days shall result in the assessment of civil penalties in the amount of \$50 per day for each displaced tenant. In addition, interest shall accrue at the maximum legal rate of interest permitted under RCW 19.52.020, commencing 30 days after the date the City first advanced relocation assistance funds to the displaced tenant(s). The City shall also be entitled to attorney's fees and costs arising from any legal action taken to recover unpaid relocation assistance, penalties and interest. The City may also recover advanced relocation assistance, penalties and interest pursuant to TMC Section 8.48.090, "Remediation/Penalties."

8.46.060 Exemption from Reimbursement of Relocation Assistance

A. The landlord may be exempt from reimbursing the City for relocation assistance if the landlord can demonstrate by a preponderance of the evidence within seven days of the City sending notice of the condemnation, eviction or displacement order that the condition(s) causing the dwelling to be condemned or unlawful to occupy was directly caused by:

1. a tenant's or any third party's illegal conduct without the landlord's prior knowledge;
2. a natural disaster, such as an earthquake, tsunami, wind storm or hurricane; or
3. the acquisition of the property by eminent domain.

B. Relocation assistance will not be advanced to a tenant who has entered into a rental agreement after official notice has been given to the landlord, but before the violations have been corrected.

8.47.010 Source of Income Discrimination Prohibited

No property owner, property manager, landlord or agent who rents or leases rental units may refuse to rent or lease a rental unit to any tenant or prospective tenant, or otherwise discriminate or retaliate against that person, solely on the basis that the person proposes to pay a portion of the rent from a source of income as defined in this chapter.

(Ord. 2526 §2, 2017)

8.47.020 Definitions

For purposes of this chapter, the following words or phrases shall have the meaning prescribed as follows:

(Ord. 2526 §3, 2017)

Nothing in this chapter will apply if the rental unit does not qualify for participation in the tenant's "source of income" program, although any property owner or manager that refuses to rent a rental unit to a person on this basis must notify that person in writing of the reasons why the rental unit is ineligible. Refusal to allow a health and safety inspection of the property by a public housing authority shall not be considered a legitimate basis for refusing to rent due to program ineligibility.

(Ord. 2526 §4, 2017)

8.47.040 Exceptions

Nothing in this chapter shall:

1. Apply if the tenant's source of income is pre-scheduled to terminate during the term of the initial lease;

4. Be construed to prohibit treating people with a disability more favorably than people who do not have a disability; or

5. Be construed to protect criminal conduct or prohibit any person from limiting the rental or occupancy of a dwelling based on the use of force, threats, or violent behavior by an occupant or prospective occupant.

(Ord. 2526 §5, 2017)

8.47.050 Enforcement

Violations of the provisions of this chapter shall be subject to enforcement and penalties as prescribed in TMC Chapter 8.45 and the issuance of a Notice of Violation in accordance with TMC Section 8.45.070.

(Ord. 1464 §1 (part), 1988)

8.100.070 Use of Force

The Chief of Police or his designee shall establish and maintain written policies and procedures regarding the use of force and the use of deadly force. Control may be achieved through advice, warnings, and persuasion, or by the use of physical force (lethal-nonlethal). While the use of physical force may be necessary in situations which cannot be otherwise controlled, force may not be resorted to unless other reasonable alternatives have been exhausted or would clearly be ineffective under the particular circumstances. Officers are permitted to use only the minimum amount of force that is reasonable and necessary to protect others or themselves from bodily harm and/or to effect an arrest. Officers are to utilize progressive discretion in the use of force, keeping in mind both ends of the spectrum, verbal communication (advice, warning, persuasion, etc.) and lethal force.

1. Lethal force shall be utilized only after all other alternative means have been expended and in concurrence with applicable use of the specific weapon used; firearm, baton, neck holds, etc. The law authorizes an officer to use lethal force when it appears necessary to protect himself or others from what could be reasonably considered as an immediate threat of great bodily harm or imminent peril of death, or to prevent the escape of a fleeing felony suspect when the officer has probable cause to believe that the suspect has committed a dangerous felony as described below:

- a. Murder (any);
- b. Manslaughter (first or second degree);
- c. Rape or attempted rape (first or second degree);
- d. Robbery (any);
- e. Aggravated assault;
- f. Attempted or actual bombing or arson which creates or causes a potential threat to life;
- g. Burglary (perpetrator armed or has assaulted any person therein).

2. Neck holds must be considered potentially lethal as documented in the King County medical examiner's reports. Because they are potentially lethal, they may be considered as an alternative to the use of firearms when the use of firearms is permitted by law.

3. A neck hold, as discussed in this policy, is a general term for two different holds:

a. Carotid Restraint (sleeper) – The carotid restraint is a method in which the suspect is approached from behind by the officer. The officer places the interior part of his elbow under the suspect's chin against his windpipe, then brings pressure to the suspect's carotid arteries by pressure from the officer's forearm and biceps. This results in a lack of blood flow to the brain and causes the suspect to lose consciousness.

b. Arm Bar Choke Hold – The arm bar choke hold is a method of controlling the suspect by approaching him from behind and then placing the officer's forearm under the suspect's chin against his windpipe, bringing pressure against the windpipe and causing the suspect to cease resistance due to the lack of air.

4. Neck holds shall be utilized as follows:

a. Neck holds may be used in self-defense or defense of others whenever the force used or attempted to be used against an officer or another is potentially lethal or creates a substantial risk of serious bodily harm.
