

Homeless Snapshot

◆ Homeless Response Standard Operating Procedure

- ◆ Notification of campsite/homeless individuals in need of assistance
 - ◆ Via Tukwila Works/SeeClickFix App, 911 calls, Personnel referral
- ◆ Assessment
 - ◆ Site visit (welfare check) to address immediate needs
 - ◆ Notice to vacate dependent on site location (public/private property)
- ◆ Response/Enforcement
 - ◆ Re-contact with assistance immediately available via partnerships
 - ◆ Assistance available can include housing, medical treatment, job training, drug addiction counseling, mental health assistance, transportation, basic hygiene needs, etc.
- ◆ Clean Up
 - ◆ Debris removal, site cleanup, No trespass signs
 - ◆ CPTED/Structural Design to prevent others from moving in

◆ Outreach Efforts

- ◆ Done 100% in partnership and would not be possible without:
 - ◆ Catholic Community Services
 - ◆ Salvation Army Mobile Response Team,
 - ◆ Sound Health
 - ◆ Community Partners such as Riverton Church
 - ◆ Human Services and other City Departments

◆ Challenges

- ◆ Accountability—Those who accept resources don't always follow through on making it to meetings or filling out required paperwork to start the process
- ◆ Mobility— Members move around a lot and are transient by nature. Not always easy to re-contact individuals expressing interest in assistance
- ◆ Drug addiction— Many refuse services due to addiction. Not ready to give up the lifestyle
- ◆ Mental Health—Often a result of diagnosis going untreated/unmedicated or chemical dependency
- ◆ Logistics—There isn't always a case worker available to meet w/ homeless individuals immediately which leads to frustration and lack of trust
